**Teaches 9 Years at Broadbent**

Wanda Wilcox, who on May 29th, completed her ninth year of service at Broadbent has to her credit one of the longest terms of service for a teacher in the rural schools of Coos county. Mrs. Wilcox has so concerned herself with the development of every boy and girl at Broadbent that for years to come the influence of her life will be felt in the community. She has always taken an active part in all community activities and has lead ten 100 per cent 4 H Clubs and has been an ever present person on the school playground.

Mrs. Wilcox has taught nine years in the above mentioned position, seven of these years she has been the principal. The year closed with a school and community picnic and 8th grade graduation with 12 in the class besides two who had come over from the Shiloh school to join in the exercises.

Wallace Dement of Myrtle Point gave the graduation address, E. L. Clausen, of Broadbent, presented the diplomas and Milton Bell presented gifts to the class. The graduating class gave a musical number and Gwendolyn Shores of the Shiloh school sang a solo.
