

Demand Proof!—

Conversation is cheap. Claims are easy to make. When anybody tries to tell you that he has "as good a tire as a Goodyear"—or perhaps "a better tire"—make him PROVE it! He can't! But WE CAN AND WILL PROVE TO YOU why Goodyears can't be equaled! Come in—see the patented Supertwist Cord used only in Goodyear Tires stretched beside the regular standard cord. You'll be surprised! Demand proof of us—we have it!

Frame Up for Bonney Home

Contractor A. H. Johnson has not been able to make rapid progress on the Luckey Bonney house, on the heights east of town, because of the improvement going in on Knowlton avenue, but he has the framework up and will rush it faster when material can be delivered there. It will be a five-room cottage.

Call Farr & Elwood for transfer and fuel.

Knowlton Ave. Paving Progress

Pearl Bros. have completed 300 feet of the paving on Knowlton avenue, working from the east end of the improvement west. They are laying about 50 lineal feet of concrete a day and with good weather will soon finish the job. The sidewalks and curbs are all in for the portion of the job south of the bridge.

Warranty and Bargain & Sale Deeds for sale at the Sentinel office.

MYRTLE POINT ITEMS

Mrs. P. W. Laird returned to her home in Myrtle Point after a several weeks' stay at her home in San Jose, California. She also visited her three daughters who are attending the university at Berkeley.
