Fire Fighters of the Air

An added protection to the great forests of the West are these flyers, who maintain a constant vigil for signs of fire. Immediately on locating a forest blaze, they notify the fire fighters, who lose no time in getting to the scene. Many of the cars used to transport the men and fire equipment are Chevrolet six-cylinder models.

Large Strawberry from Seeding
Dr. J. P. Easter brought to the Sentinel office Tuesday morning a strawberry 4½ inches in circumference that grew on a seedling plant which he first discovered near his berry patch

last winter. It is a cross between the Mastodon and Progressive varieties and he expects to make a start with this new berry from the runners it is already putting out.

The Ford Garage has installed a Wilson Electric valve facing tool and are prepared to grind valves on any make of car at a flat price. They also make a flat price on brake lining jobs.

Rev. W. L. Shrock Returns

Rev. and Mrs. W. L. Shrock returned last Saturday morning from their month's vacation spent visiting his father at Hubbard, at Silver Creek Falls near Siverton, and at the Church of God camp meeting at Woodburn. The ministers and a number of members of the congregations of the churches in Bandon and North Bend were also in attendance at the meetings.

Mr. Shrock, who was president this year of the State Young People's Committee, presided at the convention and was also in charge of the book store at the Woodburn sessions. He will be secretary-treasurer the coming year. The 1930 young people's convention will be held in Eugene.

Thinks Prospects Bright Here

J. S. Mashburn, district manager for Skaggs Safeway Stores, with headquarters in Medford, spent yesterday in Coquille. He is enthusiastic over the prospects here and feels that the local store is in a position to serve a much larger territory in and around Coquille the coming year than it even did their first year here.
