

HEED the "Voice of the Road" BEFORE You Slip and Crash!

LOOK at the treads of your tires today? Are they worn smooth? Haven't you noticed that your car slips and slides on them? Now is the time when you need traction the most!

The Road says "You think you're riding on tires but they're nothing but sleds to me."

Figure your chances for quick stopping on slippery pavements against the safety you'd enjoy on brand new Goodyear All-Weathers. Look at those big, deep-cut, sharp-edged cross-blocks IN THE CENTER of a Goodyear. Like "cleats" they dig in and hold.

Notice how those "cleats" also extend UP THE SIDES—to prevent skids on turns—to hold in ruts—to pull out when deeply mired. Twenty-five winters of slippery roads have proved the All-Weather the safest and best of all non-skid treads. Yet they cost you no more. Why not have them?

Portland Scrappers Fail to Show

Although expense money had been sent to the two Portland scrappers who were billed to appear on the Legion card at the Community Building here last Saturday evening, they did not show up and after the last bus arrived the boxing commission refunded to the good-sized crowd in attendance and called the fight off. The advance money check was received from the fighters' manager Monday with a statement of misunderstanding that does not explain. The truth of the matter probably is that Jack Nash, who was to fight Tommy Williams in the main event, was to appear on the card at Portland Tuesday night, and they did not want to take any chances on his being injured. He lasted about 40 seconds in his battle Tuesday.

The Coquille Commission cannot be held responsible in any way for having to call the fight off. Matchmaker Watson had talked to the manager by phone three times and there was no chance for any misunderstanding as to the date.

Two Jail Arrivals

Lawrence Thrush, wanted at Crescent City for jumping a board bill, was arrested near Bandon Tuesday. He was also a bad check artist.

Frank Norton, who left the county while still owing the county \$200 on a liquor fine, was arrested by Douglas county officers and was brought back here by Sheriff Hess Tuesday, to serve out the rest of his fine.

An All-Around Crook

R. L. Hoylman, arrested by the sheriff's force last Saturday for passing worthless checks, just as he was leaving Myrtle Point, seems to be in pretty deep. In the car were discovered a lot of stolen goods which he claims belong to his partner. The car he was driving was stolen. It had been purchased by a soldier in the Philippines by the name of Reed, but ownership still rests in a finance corporation.

Hoylman had passed a worthless check on H. S. Tedsen at Norway, another on Stanley Fitzgerald here, and still a third at Marshfield. Delay in reporting to the sheriff's office that the checks were worthless gave the crook time to escape but he waited too long.

Sheriff Hess says that if such matters are reported to them promptly that it makes capture of the criminal more certain.
