Program Dairymen Convention The effect of substitutes, how to increase the consumption of butter, cutting costs in dairying, are a few of the subjects on the program of the 37th annual convention of the Oregon Dairymen's Association which is to be held in Marshfield Tuesday, February 25, and Coquille, Wednesday, February 26. These subjects and several others of interest to dairymen of the state will be handled by J. D. Mickle, state dairy and food commissioner; J. M. Brandt, professor of dairy husbandry, O. S. C.; N. C. Jamison, extension specialist in dairying; M. M. Miller, market milk specialist, U. S. public health service; and others who are authorities on dairy subjects. The recent drop in butterfat prices which averages 13.6 cents, has cost the farmers of Oregon a quarter million dollars in the month of January. If this price differentiation carries on throughout the year it will mean a reduced income of more than three million dollars to the dairy farmers of Oregon in 1936 as compared to 1929. The program of the two-day meeting has just been received by H. S. Hale, county agent, from P. M. Brandt, secretary of the dairymen's association, is as follows: Tuesday, February 25 10:00—Opening of convention at Marshfield. Routine business. Key-note address by D. O. Woodworth, dairyman, Albany. 11:00—"Stimulating Sales Through Better Milk Ordinances," M. M. Miller, federal market milk specialist. 12:00—Luncheon program in charge of County Agent Harvey Hale. 1:30—"What Happened to Dairying," P. M. Brandt, O. S. C. 2:15—"Getting out of the hole." Byrne, Industrial Journalism Department, O. S. C. 4:00—Visit to local manufacturing plants. Wednesday, February 26 (Coquille) 10:00—"Getting out of the Hole by Cutting Costs," N. C. Dickson, Shedd. 2:00—Committee reports and election of officers. Adjournment. C. Jones, head of the department of Economics and Political Science of Willamette University, appearing Thursday afternoon at 2:30 before the student body. Both men will appear to represent their respective institutions, and will talk on some phase of the high school graduate and his relation to higher learning. Townspeople are invited by Mr. Grider, principal of the high school, to attend these meetings, which will be held in the assembly hall of the high school building. Junior Hi Wins Two More Coquille Junior High's basketball teams added two more victories to their string last evening when both the girls and boys' teams won over the teams of Bunker Hill in postponed games. The girls swamped their opponents by a 16-2 score, while the boys took a closely contested and cleanly played contest by a two point margin, 18-20. Herman Ellingsen refereed, doing excellent work. Announcement The public is invited to a basket social to be given at the Coquille Odd Fellows hall Monday evening, March 3rd.
