

canned foods **SALE**

AT harvest time when the fresh crops are being canned and prices are low, Safeway contracts for the season's supply. Canned foods are purchased by the trainload at prices that only an organization of the magnitude of Safeway can obtain.

Now at the heaviest consuming period of canned foods, Safeway Stores have vast quantities on hand and in order to reduce our stocks we are offering them at extremely low prices. This is your opportunity to stock the pantry at tremendous savings.

You can't go wrong—every item is unconditionally guaranteed.
