

The Record for POPULARITY —held by Goodyear Tires

Looking For Low Prices?

Deep-cut, thick, wide, tough, road-gripping tread on a full oversize Super-twist Cord shock-absorbing carcass. The handsome new-style Goodyear Pathfinder—lifetime guaranteed. Superior to many tires costing dollars more. Carefully mounted and backed by our year-round service.

The single "record" which, in our opinion, will continue to count with careful buyers here, is this popularity record, held for fifteen years: "MORE PEOPLE RIDE ON GOODYEAR TIRES THAN ON ANY OTHER KIND."

We are able to give you greater values in Goodyears because Goodyear builds nearly one-third of all tires sold in America—ALMOST TWICE AS MANY AS ITS NEAREST FOLLOWER!

Your fellow motorists, in overwhelming numbers, are coming to us and reaping the benefit of this fact—why shouldn't YOU use Goodyears and save money as they do?

Here, YOUR particular driving needs in tires are analyzed by men who KNOW local conditions from long experience. You learn exactly what kind of tires YOU require for lowest cost satisfaction on our roads.

Moreover, we PROVE Goodyear superiority before you buy. Drive in—or phone for our representative to call.
