

See the Stylish New Goodyear HEAVY DUTY Balloon before you buy your next tire

It's the most STUNNING-LOOKING tire you have ever seen on a car—this smartly styled new Goodyear Heavy Duty. A front view reveals its wider, handsomer All-Weather Tread in deep relief—due to extra-thick rubber—for extra miles of surefooted travel.

From the side, the outer row of All-Weather blocks prisms down into a sleek black sidewall striped with silver captures admiration. It's a stunning new style effect which also means more grip in ruts, more curb protection.

A shiek for looks—this tire—yet ONE TOUGH HOMBRE! Goodyear's latest scoop. Bigger, plumper, stouter in body—it's for slogging through and battering over bad roads as well as dress parade.

And the best news is the price—as low as that of an ordinary heavy duty! A value only the world's largest tire maker can offer. You'll miss something if you don't see this stunning new Goodyear before you again buy tires.

Must Know Writer's Name

The Sentinel received a communication this week which does not bear the writer's signature. Like all newspapers everywhere the Sentinel has a rule never to publish anonymous communications. It is not always necessary to print the writer's name, but it must be known to the publisher. The contribution is an human interest story dealing with the inability of a local girl to find work here while girls from outside Coquille are able to secure jobs.
