## Coats . . . Frocks and Ensembles

\$14.75

Now . . . right in your own J. C. Penney Co. store are new Spring coats, frocks and ensembles, inspired by those that so recently made their debut in Paris.

Each one with a dressmaker's touch of flattery that even the prettiest frocks have not had in years. For the French originals like our own adaptations, show the universally becoming lingerie touch on almost every dress. In the important matter of skirt length, too, we've followed the dictates of the great courtiers and made them a trifle shorter than in the Winter mode. . . .

These are but two of the many details of new fashion interest reproduced in our collection for Spring. And each dress . . . coat . . . and ensemble that they adorn is made with the care that women expect to find in J. C. Penney clothing.
