SIX CYLINDER SENTENCES

By DR. JOHN W. HOLLAND

Use well your urge if you wish to emerge.

To the resolute there are as many ups as downs in life.

Keep a good hold on your purpose if you propose to hold up.

To make yourself blind, try to pull the wool over the eyes of other.

Those who have no trouble with the devil take the trouble to live on the level.

A man is known by the enemies he keeps.

Radox Brings Foot Comfort To America

Nothing Like It Ever Sold By Druggists Before
Corns—Callouses—Burning Feet

Now you can buy Radox in America at any up to date drug store. Fuhrman's Pharmacy Inc. is selling dozens of packages a day.

Three or 4 baths according to directions and your corns and callouses are gone, your tired, burning aching feet are changed to strong vigorous ones and bear this in mind—

If Radox doesn't do as advertised—money back.

Getting a corn out needs only a few Radox footbaths. In the last few years millions of packets of Radox have been sold to corn sufferers. Here is a typical letter:—

"My wife had a very bad corn for several years on a ball of the foot, and four smaller ones on the toes, also hard skin which was very painful. After a few soakings in a Radox footbath the hard skin began to peel off, and the corns came right out after a week. It is a pleasure for her to walk now." E. S.

1st November, 1929.
Radox contains four different Salts. One banishes odor, one is antiseptic, one softens the water, and one releases oxygen which carries the softening salts right to the roots of corns which are thus loosened so that they can be lifted out bodily. Only Radox contains this fourfold combination.
