

SLIPPERY

Tires worn smooth, when run on slippery roads, offer little protection. Why not put on a new set of Goodyear All-Weather Tread Tires while they cost so little?

It's Economy To Buy Now!

New Goodyear treads wear down more slowly than ever in winter—about TWICE as slowly as in summer.

Put on new Goodyears now—at bottom prices—protect yourself with their full traction on slippery roads and be free from expense or worry about tire trouble all winter—and still have tires practically as good as new for next spring and summer!

Drop in—talk it over—we have Goodyears in all types—at all prices. It's economy to buy now!

News Notes From Powers

The regular meeting of the P. T. A. was held Friday at the Fellowship Hall. The fifth grade under the direction of Esther E. Jones, gave a little play, "Mary in Book Land." Mrs. Olin Lay, president, and Rossie Murdoch, delegate, gave wonderful reports of their trip to the P. T. A. regional convention held in Portland. The banner and plant went to the fifth grade in the small building and the Junior-Sophomore study hall in the larger building. Mrs. Jim Gamwell

and Gladys Morrell served home-made cake and coffee during the social hour. The next meeting of the P. T. A. will be held December 12, instead of December 19, for school closes for the Christmas holiday at that time.

Mrs. Twist, field superintendent of public health nurses from the state health office, visited in Powers at the local school and with the nurse, Mrs. Little.

Durwid Rolf, son of Mr. and Mrs. Allan Rolf of Powers, was married to Miss Margaret Southard November

12 at Olympia, Wash. Mr. Rolf graduated from the Powers high school and now is in the drug business at the Viaduct Pharmacy in Portland, Oregon.

Fallers and buckers were laid off at Camp Two on Eden Ridge last Saturday and the logging and shops will close Saturday, November 29. The Coos Bay Lumber Co. announces they will open again the first of January.

The South Fork Logging Co. have a Chevrolet truck equipped with car wheels to run on the railroad and a bus body that will hold 15 or 18 men. They made their first trip to the end of the railroad Saturday.

Mrs. David Fox gave a jolly Bridge party Saturday at her home on the highway south of Powers. High score went to Mrs. Edna Woolms and low to Mrs. David Summers. Those enjoying Mrs. Fox's party were Mesdames Ray Berry, Elmer Davis, David Summers, Edna Woolms, Allan King and Bill Marsee.

Earl Royer has bought the Roy Stevens place in North Powers and will move in next week.

Mrs. Harry McAdams gave a delightful party at her home Thursday evening. High score went to Mrs. George Langor and Mrs. David Fox received low. Lovely refreshments were served late in the evening to Mesdames Bill Marsee, C. H. Crew, David Fox, C. E. Otis, Edna Woolms, Geo. Langor, Jim Sennett, Geo. Gessler, E. E. Royer, J. E. Griner, Elmer Davis and the hostess, Mrs. McAdams.

Royal Neighbors Notes

Laurel Camp No. 2972 R. N. of A. met in regular session Monday night with a good attendance of officers and members present. Three new names were balloted on and will be initiated next meeting night when a class of eleven candidates will be taken into the order. The prize drawing was held and won by Mrs. Wm. Peart, being furnished by Mrs. Wm. Febrache. After lodge closed the Neighbors held a basket social and dance which was attended by a good crowd.

Horse Livers Not Horse Feathers

Of the strange cargoes that come into port here, probably the oddest arrived from Portland yesterday. An auto truck load of horse livers was delivered at the cold storage plant of the City Meat Market. It represented the vital organs of some 500 Eastern Oregon wild horses.

No, these horse livers are not to be put on the market, so don't let that worry you. They come all ground up and put up in cases and are for just

one purpose—fish food. The shipment belongs to the state fish hatchery on Ferry creek of which Ed Smith is superintendent.

It costs a lot of money to feed the little fishes; they are as fastidious as the angler that later spends his leisure time and money in trying to snare them. Horse livers seems to be the best food obtainable and it takes a lot of it to raise the millions of trout that are hatched and grown at the local plant.—Western World.
