

DRIVE WITH CONFIDENCE ALL WINTER —and Save Money too!

Bargain Time for Tire Buyers!

Prices are scraping bottom. Now it costs more than it's worth for punctures and delays to get the last miles out of old tires. Slippery fall and winter roads require full traction. Why take a chance with smooth-worn tires? New Goodyear treads wear down slower than ever in winter—about TWICE as slowly as in summer. They will still be like new next spring—this is the time to buy!

15,000 DEMAND SARGON DAILY

Vast Growing Army of Sargon Users, Marching Single File, Would Encircle Globe in Only Few Years Time

ATLANTA, GA. (—) More like a tale from the Arabian Nights of old than a record of modern business achievement reads the story of the marvelous growth and development of Sargon the New Scientific Compound which has become the sensation of the drug trade throughout the United States, Canada and other countries.

(By Richard L. Simms)
The old illustration of the pebble dropped into the pool best describes the phenomenal and unprecedented demand and its fame is rapidly spreading over the entire continent. Recently compiled figures reveal that approximately 15,000 men and women are marching into drug stores daily for Sargon and Sargon Soft Mass Pills, the marvelous new treat-

ment that is restoring health to countless thousands by new and remarkable methods undreamed of only a few years ago.

Already more than 5,000,000 suffering men and women have put it to the test and have told other millions what it has done for them.

Marching regulation U. S. army fashion—single file—this vast army of Sargon users would reach from New York to San Francisco and at the present rate of sale—would, in a few years time, encircle the entire globe.

The only explanation of Sargon's triumph in the Medical World is Sargon's true worth. Back of its triumph in the drug stores is its triumph in the homes and it is the grateful endorsements of its millions of users that has made it the most widely talked of medicine in the world today. Sargon is extensively advertised, it is true, but no preparation, no matter how extensively advertised, could possibly meet with such phenomenal success unless it possessed absolute merit and extraordinary powers as a medicine.

There can be but one possible explanation for Sargon's amazing success and it can be told in the one word—MERIT! Fuhrman's Pharmacy, Agents.

From School Supt. Office Teachers' Examination

The state teacher's examination will be given in the city hall in Coquille on December 17th, 18th, 19th and 20th, beginning at nine o'clock. Mrs. Mulkey, county school superintendent, anticipates that there will be only two or three taking at that time as most of the teachers in the county are Normal graduates or will return to school as soon as their certificates expire.

Toy Orchestras

The school at Broadbent has recently purchased for the primary room, instruments for a toy orchestra. The school at Norway is also making arrangements for similar work.

Tools for School

Through money obtained at social functions the 4-H club in Handicraft at Broadbent has recently been supplied with several tools for work. These together with those which the children are providing from their own homes are adequate to care for the new club work in Handicraft. This project and the 4-H Cooking project are under the leadership of the principal, Virna Herrmann, while the primary teacher, Opal Phelps, leads the sewing club.

Among the schools which are in evidence because of their bright colored flowers from the window are Allegany, Norway and New Lake.

Mulkey School

The girls in the Mulkey school Monday were organized into a 4-H Handicraft club. The leader is to be Alice Danielson who is now teaching at the Mulkey school. The club was organized by County School Superintendent Martha Mulkey.
