The first basket ball league game of the season was played on our floor with Coos River Saturday night. The large auditorium was packed with loyal supporters of both teams as well as many others from nearby towns. Coos River has a very strong team but was handicapped by having one of its best men ill, so they lost to us by a score of 40 to 18. The Coos River girls were more fortunate, however, and won from our girls 15 to 13. The same night the Riverton Independents won from the Coos River Independents 28 to 14.
