

ASPIRIN

beware of imitations

Look for the name Bayer and the word genuine on the package as pictured below when you buy Aspirin. Then you will know that you are getting the genuine Bayer product thousands of physicians prescribe.

Bayer Aspirin is SAFE, as millions of users have proved. It does not depress the heart, and no harmful after-effects follow its use.

Bayer Aspirin is the universal antidote for pains of all kinds.

- Headaches
- Rheumatism
- Neuritis
- Neuralgia
- Lumbago
- Toothache

Genuine Bayer Aspirin is sold at all druggists in boxes of 12 and in bottles of 24 and 100 tablets.

Aspirin is the trade-mark of Bayer manufacture of monoaceticacidester of salicylicacid.

County W. C. T. U. Institute

The Coos County Woman's Christian Temperance Union Institute held at Coquille Tuesday was opened by devotional services conducted by Rev. A. B. Baird of the Baptist Church.

A resolution was passed expressing the sincere thanks and appreciation of the group for the earnest efforts of Representative W. C. Hawley during his years of service as Oregon's congressman.

A fine round-table discussion was led by Mrs. Jas. Richmond, her subject being, "Peace." Those taking part with splendid talks were, Mrs. J.

H. Houck, Mrs. F. G. Leslie, Mrs. Neeley, Mrs. Ireland, Mrs. P. D. Hartman, and Miss Ida Oerding. Following this a resolution favoring the Five Point Plan of disarmament as outlined by the Ladies Home Journal was passed and sent to Miss Mary Wooley at Geneva.

The little twin children of Mr. and Mrs. Hickam were present and became members of the White Ribbon Recruits in a beautiful service conducted by County President Mrs. C. C. Farr.

The next Institute will be held in Myrtle Point July 12, this being the last Institute for the W. C. T. U. year.

Sport Briefs

By Mark Sealey

Of the games played in the Southern Oregon Coast League last Sunday, the fray between Marshfield and Eastside featured, the former emerging victorious, 5 to 4, after a hot tenning hurlers' duel between Skinner of the visitors and McHale of Eastside.

In the other games Sutherlin bested Gold Beach and North Bend downed Reedsport.

All teams but North Bend were represented at the Southern Oregon Coast League meeting held Monday night in the Moose Hall in Coquille for the purpose of electing a new secretary of the organization. Other business of a general nature was also discussed. For the position of secretary, Mark W. Sealey, of Coquille, was chosen by the managers present, to succeed R. F. Stockwell, who had previously resigned the position.

Every manager present seemed well satisfied with the conditions in the league, and a harmonious feeling circulated among them during their formal and informal conversation. Though the financial conditions aren't as prosperous as they might be, the competition and sport the clubs are enjoying makes up for this.

Carl Gilbert's Junior League team seems to be the classiest American Legion nine which has ever represented the local post. Most of the lads are of the younger high school age and have played baseball for some time. Their defeat last Sunday by North Bend was nothing of a disgrace, as they were facing a more experienced team, and at that game was so close that it took an ninth inning finish to decide the issue. North Bend is to be faced again this season, and in this return game the result may be much different. The local boys are still leading the league, and tomorrow they face Bandon at the Athletic Park in defense of this position.

The Range League still continues merrily on its way, playing both Sunday and midweek ball in order to keep the schedule up to date, not leaving any games unplayed for very long after one has been postponed. The

results last Sunday brought out Lee as a 13 to 3 winner over Fairview, Norway, 10 to 7, over Gravel Ford, and McKinley, 10 to 2, from Broad-bent. The previous Sunday Gravel Ford barely nosed out Fairview, 5 to 4.

Pitching for Lee on Sunday, "Jug" Lorenz set the Fairview team down with very few hits, and in only the fourth and seventh frames could they count runs from his delivery. On the other hand the Lee hitters landed on Mark Steckel, mayor of Fairview, throughout the game for many telling hits which counted many runs. Marion Fischer caught Steckel, but during the fray he was unable to get a hit. Catching the offerings of Lorenz was the writer, who equalled his battery mate's hitting record, with two hits in five times at bat. Next Sunday Lee plays Gravel Ford.

The Coquille Junior team lost for the first time this season by a score of 7 to 5, after nine innings of nip and tuck baseball, which saw the issue decided in the ninth inning of their game last Sunday against North Bend.

Pitching for the Benders was "Fat" Murray, veteran of three seasons, who held the local lads to six blows, as compared to the ten blows his mates secured off Ernie Cooper, the Coquille hurler. Three runs in the first frame by North Bend set her off to a good start, after which she added occasional scores.

Murray kept the Coquille hits well scattered and in only one canto, the second, did the young Loggers reach him for more than one hit, in this connecting for three which added two runs. After this the North Bend twirler closed the gate.

The game in itself was well contested throughout and, though defeated, their showing speaks well for Coquille's young players and their coach, Carl Gilbert. And, although defeated, the loss by no means eliminates them from the county race, as every team in the league has also been turned back. At present Coquille, North Bend, and Marshfield are listed as the most promising teams, with Bandon a dark horse possibility.

Last Saturday the Bandon team won from Marshfield, 10 to 9, the victory being a real upset in the bunt-

ing race. Erros, however, lost the game for John Forrester, ace of the Juniors, during the past three seasons.

Tomorrow, (Saturday), afternoon the local Juniors will play a game with the Bandon team on the local diamond. The fray is to commence at two p. m.

League standing:

	Won	Lost	Pct.
Coquille	2	1	.687
Bandon	2	1	.687
North Bend	1	1	.500
Marshfield	1	1	.500
Myrtle Point	0	2	.000

Curry Co. School Wins Award

The Myrtle Creek school in Curry county was one of only two schools in the state to win one of the Gold Seal certificates awarded by the Oregon Children's Book league this year, it was announced today by Harriet C. Long, state librarian. The other school to win this award was the Sherwood school in Washington county.

These awards are given to schools in which at least 50 percent of the children have read at least one good book a month each month of the school term for two consecutive years.

A total of 1270 certificates were issued by the league to individual school children this year. Washington county tops the list with 520, Clackamas was second with 192 and Marion third with 97. Twenty-three counties were entered in the book league this year.

The Oregon Children's Book League was organized by the state librarian and the state superintendent of public instruction in September, 1927, to offer to children in the elementary schools both opportunity and encouragement for reading the best books. To receive a certificate a child must read at least one good children's book a month for eight consecutive months. It is estimated that the 1270 children earning certificates this year read more than 10,000 books.

A fellow giving the name of Wilkie Hasting, and claiming Dillard as his home, was picked up Wednesday evening by Officer English with a sack of bottled beer in his possession. He did not appear yesterday morning, having given \$5 for his appearance in Recorder Leslie's court.

GREATER KITCHEN COMFORT

4-H Clubs at Cadman Home

Twenty-five 4-H club members and local leaders of the Leneve and Coquille pig and calf clubs enjoyed a joint business meeting and social at the home of H. S. Cadman, of Coquille Friday evening, June 3. Several parents were also present.

A peppy business meeting was held at which time club members gave interesting account of their projects and progress made in 4-H club work. The manner in which the meeting was conducted evidenced the thorough training the children had received in conducting business meetings and was a compliment to their leaders.

The 4-H club stock owned by Sidney and Teddy Cadman was displayed when a tour of the farm was made by the club members.

Refreshments of cake and punch were served by Mrs. Cadman at the close of the evening and all of those present expressed the desire of holding a similar meeting in the near future. An invitation was extended by the Leneve calf club for the next meeting.

It's as though the tobaccos were "welded" together...

"CROSS-BLENDING" means much more than just mixing tobaccos together.

It "welds" together different kinds of the several varieties of tobacco... many types of Bright tobacco, a great many types of Burley tobacco and numerous grades of Turkish tobacco.

THIS "WELDING" TOGETHER — or Cross-Blending — permits every kind of tobacco used in the Chesterfield blend to partake of the best qualities of every other type. Each tobacco is thus made to yield its finest flavors.

CROSS-BLENDING takes all these pleasing flavors and aromas and combines them into one—the Chesterfield taste. And we think you will agree that it is a far better taste... worth all the extra care that Chesterfield takes to get it.

EVERYTHING that money can buy and that science knows about is done to make CHESTERFIELD milder and taste better.
