McKinley Notes

The McKinley Grange met at the local hall June 26th for the regular session. There were more than the usual number for the Sitkum members were present. The singers on the Memorial program which was given at this meeting were all from the valley. I. J. Bennett gave his report as delegate to the State Grange meet.

The majority of the farmers are busy in the hay fields these days and the women are canning what berries and early garden that is available.

Mrs. A. Jenkins and daughter, Arla, returned from Ashland for a few days.

There were some prospective settlers in from the Roseburg land office a day or so ago looking up the sections of logged off land for sale by the Coos Bay Lumber Co. It seems most of them are just expecting to take a few acres, enough for a garden and to pasture a cow and keep a flock of chickens. If there is no other source of income, it will hard work to live on just that alone.

The baseball game last Sunday between Fairview and McKinley held them an exciting one. McKinley held them to a 3 to 0 score until the seventh inning, when they ran up four scores, but McKinley recovered and scored three more, leaving the final tally 4 to 6 in favor of we'ems. Next Saturday night, the 2nd of July, the ball fans are giving a benefit dance at the Community hall to get some more equipment, such as balls and bats, to finish up the season. Next Sunday is the second battle with Lee at the Lee diamond. This will be the first of the last half of the season for our team, unless Fairview wants to play off that first game here which was not a real game as they were not really organized then nor the diamond in a usable condition.

Old Papers, good-sized package at The Sentinel for 5 cents.
