At Christian Science Churches

"Christian Science" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, June 26.

The Golden Text was, "When ye received the word of God which ye heard of us, ye received it not as the word of men, but as it is in truth, the word of God, which effectually worketh also in you that believe." (1 Thess. 2:13.)

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "In that day shall the deaf hear the words of the book, and the eyes of the blind shall see out of obscurity, and out of darkness. The meek also shall increase their joy in the Lord, and the poor among men shall rejoice in the Holy One of Israel." (Isa. 29:18, 19.)

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The time for thinkers has come. Truth, independent of doctrines and time-honored systems, knocks at the portal of humanity. . . . Since the author's discovery of the might of Truth in the treatment of disease as well as of sin, her system has been fully tested and has not been found wanting." (p. vii.)
