

The Coquille Woman's Club

Tuesday, January 10, the Coquille Woman's Club met in the afternoon at the Episcopal Parish house for their regular monthly meeting. Mrs. J. E. Norton, president, was in the chair. The public welfare chairman of the club, Mrs. C. C. Farr, urged the ladies to give to her any used garments they have, that can be spared and she will see that they reach some one greatly in need.

Mrs. Geo. Bryant returned for Mrs. Compton, chairman of the Library committee. She stated that twenty-six new books have been recently purchased. She also asked if the club ladies would assist Mrs. Ellingsen, librarian, in repairing the books at the public library, which the club ladies voted to do. She also asked for any good books or magazines one might be through with.

Several letters were read by the secretary, Mrs. Emery; one of which was from C. Weldon Kline, who is connected with the United States Forest Service, in regard to tree planting in the parking strips of the streets of Coquille, which would indeed beautify the city immensely. This matter was given to Mrs. H. E. Hess, head of the civic committee.

After the business session was closed the rest of the afternoon was turned over to the program leader, Mrs. C. D. Walker. The first number on the program was a piano solo by Joy Norton, daughter of Mr. and Mrs. H. S. Norton. The selection was a Chinese dance, "Miss Lu," which was in keeping with the program of the day. Mrs. B. A. Roberts, of Fairview, again consented to tell something of her travels in China. Mrs. Roberts, who spent fifteen years in China, can tell a great deal about that country which is very interesting. She told of her favorite way of traveling which, she explained, was by way of river boats. She also told of many humorous coincidences which took place in other methods of travel. Mrs. Roberts is a very pleasing and interesting speaker and when she brought her talk to an end, it was with regret by her audience.

Mrs. E. A. Woodyard, accompanied by Miss Edythe Farr on the piano, sang a group of three solos. They were all different types but were all exceedingly well presented.

At the close tea was served by the hostesses, Mesdames R. A. Wernich, Lyman Carrier, Chester L. Ward, Kennet Lawrence, George Leach and J. E. Norton. The following attended: Mesdames P. D. Hartman, George Lorenz, Don McCune, O. T. Gant, Louis Charneski, M. Earl Wilson, L. H. Hazard, Ernest Purvance, B. A. Davis, R. E. Boober, Jennie Price, F. G. Leslie, C. C. Farr, F. S. Emery, Paul Van Scoy, J. A. Lamb, C. J. Fuhrman, C. D. Walker, W. H. Mansell, Birdie Skeels, L. P. Maury, Geo. Bryant, F. L. Greenough, R. L. Stewart, Ray Thomas, E. A. Woodyard, O. C. Sanford, Maude LeRoy, George Chaney, B. A. Roberts, Miss Inez Rover and Mrs. Platt, of Centralia, Wash.

At the Woodman Hall Sunday afternoon at 1:30 o'clock the Needle Workers club ladies and their families, to the number of fifty or more, enjoyed together their Christmas dinner party, which had been planned for a much earlier date but owing to so much sickness was postponed until all could attend. After the dinner games were played with a cafeteria supper spread later in the evening. This affair proved to be a very enjoyable one for all attending.

Calling cards 100 for \$1.50.

A World's Record

MORE than three thousand births without a single loss of either mother or child! That is the official Platt County record of Dr. W. B. Caldwell, in fifty years' family practice in Illinois.

No wonder mothers have such entire confidence in giving little ones Dr. Caldwell's Syrup Pepsin!

If you have a baby, you have constant need of this wonderful preparation of pure pepsin, active sesame, and fresh herbs. A child who gets this gentle stimulant for the stomach, liver and bowels is always healthier. It keeps children's delicate systems from clogging. It will overcome the most stubborn

condition of constipation. It builds them up, and is nothing like the strong cathartics that sap their strength and energy.

A coated tongue or bad breath is the signal for a spoonful of Syrup Pepsin. Children take it readily, for it is really delicious in flavor. Taste it! Take Syrup Pepsin yourself, when sluggish or bilious, or you are troubled with sick headaches and no appetite. Take some for several days when run-down, and see how it picks you up.

It is a prescription preparation which every drug store has ready; in big bottles, just ask anywhere for Dr. Caldwell's Syrup Pepsin.
