

Need New Tires!

You can NOW afford The World's Standard of Quality

If you need new tires, and you haven't priced Goodyears lately, you are in for a surprise. Today you can buy a Goodyear All-Weather Tire — the world's standard of quality — for less than you paid for little or unknown brands only a few months back.

When you buy Goodyears here's what you get:

TRACTION

in the center of the tread, where it belongs. The most positive non-skid tread on any tire.

SUPERTWIST

in the body of the tire—cord that absorbs rather than resists shock and strain—the best insurance against blowouts in any tire.

APPEARANCE

If you want good looks, Goodyear is about the handsomest tire on the road.
