News Notes From Powers

The Powers community, one of the
last in the United States to feel the
depression, was one of the first to re-
cover. There are probably 700 men
working in the vicinity of Powers.
Not more than 300 of these are local
men. Beside the 3-C boys the rest
of the crews are from Coos county,
with a large majority from Coquille.

Ethel C. Littler, R. N. school nurse
of Powers, has been seriously ill at
the Mast hospital in Myrtle Point,
suffering from the effects of a serious
major operation. Her mother, Mrs.
Chandler, of San Francisco, is with
her. At the last reports she is very
much better.

Chalmers Harrelson, of southeast
Missouri, now stationed at China flat
with the 3-C boys, is recovering nicely
at the Mast hospital in Myrtle
Point from an emergency appendicitis
operation. Captain Young reports
they will bring him home to camp in
a few days.

Mrs. Kibler, of Idaho, has been ap-
pointed supervisor of Oregon for the
Royal Neighbors and Mrs. Ada E.
Lemon has been recommended for
district deputy.

The Royal Neighbors gave a very
enjoyable dance Saturday night in
the Moose hall. They gave away
their quilt at that time to Mrs. Earl
Royer.

F. C. Dillard, represented by his
engineer, C. F. Rhodes, installed a
Johnson pump, twin cycle, with a ca-
pacity of 100 gallons per minute at
the Hubner mine, on Tuesday. They
are pumping a deep hole out in the
bed of the South Fork of the Sixes,
where a ledge crosses the main river.
The water is carried overhead in a
three-foot flume.
