CRESCENT COFFEE
We wish to recommend CRESCENT COFFEE in the new VITALITE glass jar. This new quart jar is ideal for canning and protects fruit or vegetables from coloring when subjected to light. Price per lb 32c. The jar is worth 7c, so the coffee costs you but 25c per pound.

If we are out of any goods you want we will place special orders without extra cost to you.
All prices listed by us will be changed only as our cost is raised or lowered. All prices are subject to Government regulations.

GOLD BAR
We feature the Gold Bar quality line of canned goods. The market does not produce finer products and our guarantee goes with every can sold.
