ALL THIS WEEK WATCH FOR THIS SIGN OF QUALITY

THIS WEEK Oregon takes inventory of her present and her future. Manufacturers, retailers, and consumers are asked to test, critically, the production of Oregon—whether from forest, farm or factory—to learn first-hand that Oregon Quality has no superior and that it can be purchased economically. Spread on this page are a few of Oregon's famous Quality manufactured articles and services. Your retailer, no matter what you wish to buy, will gladly serve you with Oregon Production. Try it! Test it! Become proud of it!

DEVELOPING INDUSTRIAL OREGON

Low cost electric power has helped make it possible for many Oregon Industries to manufacture products which are sold successfully in competition with those from other states. Successful manufacturing companies mean steady payrolls and economic stability. This is advantageous to every family in the state and we are glad to do our part consistently, for the industrial development of Oregon.
