HERE IS HOW

**YOU**

CAN EARN SOME

**Real Cash**

All you have to do to make more real cash money during the next few weeks than you ever even hoped you could make is to see your relatives, friends and neighbors, tell them you are working in The Coquille Valley Sentinel Campaign, and ask them to pay their subscription THROUGH you.

For each one year subscription paid through you we will pay you fifty cents when the subscription is turned in to us. And IN ADDITION to this amount you receive ON EACH SUBSCRIPTION, you will receive the extra cash bonuses to be awarded during the campaign. Then at the close of the campaign if you are one of the leaders and have not earned as much cash as the amount of the guarantee for the position in which you finish you will be paid enough ADDITIONAL to make up this amount.

But there is no limit to the amount you can make. It all depends on the amount of time you can devote to the work. You can devote only a few hours each day to the work and make only fifteen or twenty dollars each week. Or you can devote more time and make fifty, seventy-five or even a hundred dollars per week during the few weeks allotted to the work. You may make the collections yourself and turn in the subscriptions, or your friends can leave the subscriptions at the office for your credit.

If YOU want to cash in on this unusual offer write, telephone or visit The Sentinel office AT ONCE before somebody else gets started ahead of you in your community. If you want additional details before making up your mind all desired information will be gladly furnished. You certainly owe it to yourself to investigate this offer thoroughly AT ONCE.

**Don't Forget**

There is NO LIMIT  
to the Amount You Can Earn

We Merely GUARANTEE the Leader AT LEAST \$50.00 per week. Your commissions and bonuses may amount to MORE than that!
