Iowa Man Tells of Wonderful Relief From Stomach Trouble

Here is a letter of interest to many residents of Coquille and vicinity. Elza E. Beck, Mt. Airy, Iowa, writes: "I have suffered from catarrh of the stomach for a long time. I was unable to eat without food souring on my stomach and my stomach seemed raw. I had severe gas pains and was constipated. While I was in the drug store they asked me to try a bottle of Williams S.L.K. Formula and after I had taken just one bottle I could eat almost anything and did not have those awful gassy pains and soreness in my stomach. I've tried many other medicines but no other has done the work as has Williams S.L.K. Formula."

This wonderful medicine is the prescription of a physician for stomach, liver and kidney disorders, associated with constipation, sour or gassy stomach, distress after eating, sick headache, neuralgia, rheumatic pain, neuritis, biliousness, dyspepsia, heartburn, general weakness and loss of vitality. If you suffer, don't wait. See your druggist today at Fuhrman's Pharmacy. Satisfaction or your money back.
