Following this Miss Inez Rover, favored the club with two beautiful piano selections.

Of special interest to the members was the appointment, by the state board, of Mrs. Leona Bryant, state chairman of regional biennial convention, which will be held next year at Lake Tahoe. This appointment is a distinct honor and the second to be conferred upon Mrs. Bryant, she having been elected second vice president of the state B. P. W. a few months ago.

Neighbors of Woodcraft Session

Neighbors of Woodcraft Circle No. 214 met in regular session Monday evening with Guardian Neighbor Dora Culbertson presiding.

Mrs. Agnes Hoag, state organizer, was present and gave an interesting and vital talk concerning the plan in Woodcraft which makes the present system of operation insolvent. There were present two district representatives, C. Miller, of Bandon, and E. Newton, of Drain, Guardian Neighbor Ford and several other neighbors from Marshfield, Guardian Neighbor Tickenor and several neighbors from Bandon, two from the Drain Circle and one from Grants Pass.

Mrs. C. L. Reed, of Coquille, was initiated into the mysteries of woodcraft. After the business meeting a lovely program was enjoyed, Lola Thompson acting as master of ceremonies.

Mrs. Agnes Hoag presented a sketch to a very appreciative audience, herself acting as a kitchen servant, whose lofty ideas were far above her menial labor. Lennis Terry, accompanied on the piano by Lorraine Tilghman, gave a very interesting tap dance which everyone enjoyed. Mrs. Winters, of Bandon, rendered a solo, "Under the Old Umbrella," very effectively. Mr. Newton, of Drain, cleverly recited two selections in dutch dialect. Last, but not least, Mrs. Frank Leslie gave one of her excellent readings, which are always enjoyed.

At the close of the program the grand march was formed and let into the dining room, where ice cream, coffee and cake were served.—Press Correspondent.

Riverton News

Peter B. Hanson, son of H. A. Hanson, of this place, who has been employed this summer on the Martin Clausen farm, was united in marriage last Monday to Miss Ada Belle Cotton, of Gravel Ford. The wedding took place at the Methodist parsonage in Coquille, with Rev. G. A. Gray officiating. The best wishes of the community is extended to this happy young couple.

Ross Ricketts from Coquille is re-shingling and doing some other carpenter work on Mrs. Mettie Peterson's house this week.

It is with a feeling of sadness that we learn of the death of Miss Julia Wick, of Bunker Hill, who was instantly killed last Tuesday night in an auto accident on the highway near Reedsport. Miss Wick, who was 19 years old, was a former resident of Leneve and a student in our schools here. She is mourned here by many friends and former classmates.

Mr. and Mrs. Chris Gwillim and little daughter from Myrtle Point drove down Sunday to spend the day with Mrs. Gwillim's parents, Mr. and Mrs. Geo. Heather. Mr. Gwillim, who for three years had been employed at the Clausen Bros' ranch, is now with the state highway bridge crew and for the present is stationed at Myrtle Point.

In checking up on some of the outstanding exhibits at the recent county fair at Myrtle Point, it was learned that one of our local families had made a very enviable record, indeed. We refer to the Karl Herman family, of Randolph. Muriel and Ralph, 4-H club members, each won prizes on potatoes. Muriel took two prizes on sewing and Ralph took prizes on two-year olds and spring calves. Ralph was high-point man in the Smith-Hughes stock judging, besides taking many prizes in the Smith-Hughes and open classes on cattle, sheep and hogs. Their mother and grandmother also won prizes in the canning and quilting divisions.

Mr. and Mrs. Geo. Heather, Sr. were pleasantly surprised Saturday morning, when Mrs. Heather's brother and wife, Mr. and Mrs. Arthur Ladd, of Spokane, drove in and spent the day. The Ladds, who spend a great deal of their time traveling, were returning home after having spent a delightful two months visiting places of interest on the Atlantic coast, then westward via the southern route. They were accompanied on this trip by Mrs. Alice Acres and her father, Mr. Rutherford, also of Spokane. Other guests at the Heather home Saturday were Ed

Leggett and Mr. and Mrs. Joe Leggett

and little son from Powers. The Leggetts are half brothers of Mr. Heather. It was rather an unexpected family reunion and all spent a most enjoyable day. The Arthur Ladds left Saturday evening for home.

Mr. and Mrs. Alton Kay left Sunday morning on an extended trip to Seattle and other Washington points, after which they will be joined by some friends from Oregon City and all will proceed on to the Pendleton country, where the party expect to hunt mule deer. The Kays expect to be gone from here several weeks.

Mr. and Mrs. Henry Steward and little son, from Coquille, spent Sunday with Henry's parents at Leneve, Mr. and Mrs. Geo. Steward.

Mrs. Kay Howard, of Hauser, motored over to Coquille Sunday morning, where she was joined by Mrs. Mettie Peterson from here, and together they drove on up to the home of Mr. and Mrs. Thos. Anderson in the Roy district.

Coquille, Bandon and Riverton high schools are planning to sponsor several "smokers" during the next few months. Tom Schaer from Coquille, was down last week, getting a line-up on possible boxing and wrestling material from here. In addition to baseball, part of the high school physical education period is spent in boxing and wrestling.

Ileen and Perna Harris went to Hauser on the bus Friday and spent the night with Mrs. Kay Howard. They returned as far as Marshfield Saturday, where they were joined by Harriet and Evelyn Miller, also from here.

The Home Ec. sewing class, under the able direction of Miss McCoy in high school, will make all the costumes for the cast and chorus in the coming operetta, "Tulip Time." The chorus will feature gayly colored skirts in blue, green, yellow and pink, with white blouses, tiny black bodices and dainty aprons. The girls glee club will take the part of the Dutch villagers, while the boys' glee club will fill the role of a party of American students. The operetta will be presented under the efficient direction of Miss Helen Abel.

Definite date for the presentation of the operetta has not been set due to the uncertainty about the time of the completion of the new gymnasium. But it is hoped it may be staged towards the latter part of this month.

To the patrons, student body and teachers, the work on the new gymnasium seems to be going very slowly. The contractor, no doubt, is rush-

ing the work to completion is fast as it is possible.

Usually at this time here we can blame the weather man for numerous delays, but that alibi cannot be used for Coos county procrastinators this fall, as the weather has been ideal and delightful.

Robert Iliff returned Sunday night from the Pacific International Stock Show in Portland, accompanied by his stock judging team, which consisted of Ralph Herman, Glenn Church, Henry Edgmon and Karl Eckholm. There were 57 Smith-Hughes teams represented from Washington, Idaho, Montana, California, Oregon and some other states. Washington teams led in the contest. Our boys placed 27th in line, with only Bandon and Myrtle Point from Coos county, making a better rating than ours. Bandon, whose team rated the highest for Coos county, took 17th place. Our boys had a most profitable and enjoyable trip, the high lights of which were perhaps the splendid performances put on by the Canadian Mounted Police and their marvelous and beautiful horses.
