CONTEST RULES

Contest Opened March 28th. Contest Closes June 6th.

On this page are listed the concerns at which voting coupons are issued on all cash transactions, meaning cash purchases and payment of account, also labels, cartons, etc. Each vote is represented by a purchase equivalent to one cent in value excepting if otherwise stated in this ad, 5 cents being the smallest amount of purchase entitling you to five votes, or a dollar purchase to 100 votes, etc. The ballot box is kept at contest headquarters, where all coupons may be voted.

It is not necessary for the contestant to register to be in the contest. If your candidate does not appear in the published list, just write the person's name on a coupon and drop same in the box; that automatically enters your favorite. This contest is open to all boys and girls and young men and young women between the ages of 10 to 22 who may participate in the contest.

No contestant will be allowed to purchase votes or cast votes which knowingly have been bought in his or her support. No contest store or employee of such store is allowed to hold votes or to favor any contestant. Don't ask the contest store to favor you—it is against the regulations. No organization as a body will be allowed to designate or go on record in support of a candidate.

No votes will be issued on wholesale, City, County, State, Federal or Industrial purchases. The Merchants' committee reserves the right at all times to disqualify any contestant who violates any of the contest rules.
