Townsend Mass Picnic at Bandon on July Fourth

The Coquille Townsend club met in regular session Tuesday evening with more than one hundred and fifty members present when President Gant called the meeting to order and the Townsend orchestra played the opening numbers. Several matters came before the club at this meeting which are of vital importance to the club.

The first thing taken up was in regard to the Townsend Mass Picnic to be held in Bandon July 4th. This picnic will be sponsored by all the clubs of Coos and Curry counties and

will be attended by members from all over the state of Oregon. At least one and possibly two important speakers will give addresses during the day. The celebration committee of Bandon met with representatives of the clubs of both counties and plans were made to make the celebration the best ever held in the state of Oregon.

The next thing of importance acted upon was the matter of sending delegates to the national convention to be held in Cleveland, Ohio, July 15 to 19. It was voted to start immediately an intensive drive to raise funds to send all the delegates possible. Pledges were taken at the meeting and the response was so generous that it will be possible to send several and high credit is due the club for its interest in this great convention.

It is also planned to try and arrange a meeting with the members of the club at Arago next Wednesday evening. All members are urged to be present and more information will be given to the members at the next meeting.

The advisory board appointed a nominating committee to nominate officers for the next six months. The names will be placed in nomination at the next meeting. All members are urged to be present at next regular meeting and take part in the activities of their club.
