Given a Year in Jail

Adrian Campbell, state police officer in Curry county, came up from Port Orford Monday noon with Bill Tyrrell, who was sentenced to a year in jail in Justice Frank Tichenor's court at Port Orford, that morning.

Tyrrell was returning from California in a Model T sedan and at the south end of the Floras creek bridge he got on the wrong side of the highway and hit a California car. No one was hurt, but Justice Tichenor "throws the book" at anyone convicted of driving while under the influence.

Bill was brought up here because Curry county has no suitable jail for keeping prisoners and pays Coos county board for those kept up here.

**Townsend Club Notes—To
Have Picnic on the 4th**

The Townsend club held its regular weekly meeting Tuesday evening with O. T. Gant presiding. The orchestra played three numbers, after which the leader, Clyde Gage, was presented with a beautiful bouquet of flowers in appreciation of the hard work he has done to provide music at each meeting.

Mr. Gant announced the big picnic at Bandon on the 4th of July. Mr. Chappel, of North Bend, will speak in the morning and Frank Hilton, of Portland, will be the main speaker of the afternoon.

The ladies of the club have made patriotic badges for all good Townsend members to wear at the picnic. Get your badge!

Nominations for officers for the ensuing six months were made and election will be next meeting.

Everyone is urged to be present.

About sixty Coquille Townsend club members went to Arago Wednesday to meet with members there. The meeting was held in the community building with about one hundred present. The orchestra went along to furnish some more of their good music.

After the meeting was called to order by Mr. Gant, the audience sang two old songs and Miss Lyndell Southstone favored with a violin solo, accompanied by her mother, Mrs. Ralph Southstone.

S. M. Nosler and his brother, Alva Nosler, of San Diego, both talked a few minutes.

Mr. Gant told more about the Bandon picnic and about the convention to be held in Cleveland next month.

Bible School Closes Today

The Vacation Bible School, which has been sponsored again this year by the Coquille Ministerial Association, will come to a close Friday evening after a most successful three-weeks period. Out of the one hundred and twenty-five boys and girls between the ages of six and eighteen who have been enrolled in the school, about a hundred will receive their diplomas at the special service in the Pioneer Methodist church on Friday evening at eight o'clock.

The school has been most successful again this year, and much creditable work has been accomplished. Besides their studies in the Bible, the children have been taught music, art, hand-work, and directed recreation. The handwork, most of which is very useful, will be sent to the Children's Farm Home at Corvallis for the use of the orphans.

The public is cordially invited to the closing exercises on Friday evening. At the close, everyone will be permitted to view the work that the children have done.
