Townsend Club Notes

The Townsend Club met as usual last Tuesday evening with a goodly number present. The president, O. T. Gant, opened the meeting, after which the orchestra played several numbers. If you have not heard the orchestra, come up next Tuesday evening and hear something good. Clyde Gage is the director of this nine piece Townsend orchestra.

The Myrtle Point Townsend Club has invited the Coquille club to visit them next Sunday afternoon at two o'clock for a social time.

O. T. Gant was unanimously elected as delegate to the convention in Eugene, August 9. The purpose of the convention is to elect seven members on an advisory board for this part of Oregon.

The entertainment committee is working hard on a big program for August 4. The Cleveland convention delegates, Steve Dey and George Swinney, should be here by that time to give their reports. Refreshments will be served later in the evening. All Townsend members and friends are welcome.

Don't forget, Dr. Shaddock is coming August 11. A county-wide mass meeting will be held in the Com-

munity Building at eight o'clock. Don't let anything keep you away from that meeting.

Last Thursday evening about 75 Coquille people went to Bandon to visit the Townsend club there. There was a big turnout of Bandon people and we had a fine meeting. The Coquille orchestra played several numbers, Wilma Drake and Bernice Haga tap danced and the three Gant brothers sang several humorous songs.

After the meeting the floor was cleared for a dance and those who cared to danced till a late hour. We enjoy meeting with other clubs and hope the Bandon club will visit us soon.—Press Committee.

Mrs. Mary Elizabeth Smith

The body of Mrs. Mary Elizabeth Smith, who passed away at the home of her daughter, Mrs. Mildred Hodgdon here last Sunday, was taken to Portland, Monday, by the Gano Funeral Home for interment.

Mrs. Smith was born at Jefferson, Ore., June 17, 1859, and is survived by the following children, her husband having passed away 18 years ago: Four daughters, Mrs. Vern Sloan, Duluth, Minn.; Mrs. Ina Starr, Portland; Mrs. Hodgdon, Coquille; Miss Dorothy Smith, Redmond, Ore.; four sons, Herbert, Portland; Herschil, Philadelphia; Raymond, Providence, R. I.; and Derril, Oakland, Cal.

Landed on Railroad Track

Traveling a wee bit too fast, the car driven by J. E. Comer, S. P. employee at Myrtle Point, left the highway this side of the North Fork bridge, a mile out from Myrtle Point, last Saturday afternoon, and landed on the railroad tracks below the road. Comer was taken to the Mast hospital for treatment for an injured head, neck and back. His left ear was nearly torn off. The car was very badly damaged.

Medford to Play Sunday

John Miljus, former 'big league' pitcher with the Pittsburg club of the National League, brings his Medford Peapickers to Coquille Sunday for a game with the Loggers.

Miljus is a campaigner who has seen duty in the major and minor leagues and in a world series. He is the pitcher who threw the pitch which went by the catcher to allow the winner run to score from third base and give the New York Yankees the world series by virtue of this break a few years back. Miljus had performed yeoman's duty during the games, but was the unfortunate victim of ill fortune in the final which saw Pittsburg lost, 4 to 3.

The Peapickers are a young team of hustlers and should give a real display of pepper in the game Sunday.

Manager Fortier will use "Rucky" Peterson, the "Dizzy" Dean of the slow ball pitchers, on the mound. His great showing against Crescent City last Sunday has marked "Rocky" as the prospect to watch as a future mound star.

Following the game on Sunday, the Loggers will have four more games which will likely wind up the season. There are:

Sunday, August 9, Toledo at Toledo.

Sunday, August 16, "Convicts" in Coquille.

Sunday, August 23, Colored House of David in Coquille.

Sunday, August 30, Medford at Medford.
