Townsend Club Notes

The Townsend Club met in regular session Tuesday evening with about 200 members and friends present.

The orchestra played several numbers after which Steve Dey made a very good report on the Cleveland Townsend convention, which everyone enjoyed. The other delegate, George Swinney, has not yet returned. Delegates from this club will go to a convention in Eugene next Sunday for the purpose of helping to elect seven men on an advisory board for this part of Oregon.

Again it is urged that no one miss hearing Dr. Ralph Shaddock, state area manager, who will speak in Coquille August 11 in the community building. He has just returned from the Cleveland convention and will have a very interesting message for all Townsend people.

The entertainment committee put on a good program as follows: tap dance, Gretchen Clinton and Rheo Walker, Bonnie Gage at the piano; music on two guitars and a violin by Lee Finley, Thad Finley and Ford Litay; tap dance, Marjorie Western with Mrs Carl Gilbert at the piano; music by Clyde Gage and Ray Peart on violins and Paul Vincent on a guitar; piano solo, Verene Bailey; song, Sam Nosler, with Mrs. Birdie Skeels accompanying on the piano. Then the cook of the evening was introduced in the most approved fashion and coffee and doughnuts were served.

Loggers to Be Idle Sunday

Coquille Loggers will be idle Sunday but come back on the following two week-ends to face fast traveling squads in two tilts which will wind up the home schedule. Medford is to be given a return game at Medford.

On Sunday, August 16, the "Convicts" will face the Loggers and on Sunday, August 23, the famous Colored House of Davis will be here again. One of the opponents, the bewhiskered club, already has a reputation in Coquille, but the "Convicts" are a new outfit.

Meager advance dope labels the "Convicts" as a highly colorful group of performers. Not only do they put up a fast brand of ball and add enough comedy to liven things up, but they dress in gaudy, striped uniforms which give them all the appearance of "cons" whether they are or not.

One mystery concerning the "Convicts" is in regards to their nationality. They may be white or colored or they may be a general mixture. This fact is as yet unknown and may remain so until the day they arrive in Coquille.

Bill Fortier will bring in Bob Wilshire to occupy the mound in both these starts. Wilshire has been highly successful in a Logger uniform and he will likely be working hard to maintain his record. Already this season he has won from the Klamath Falls Red Sox, 12 to 1, and in previous seasons hung up wins over the Israelite House of David and the Detroit Colored Giants.

Eagles to Give Dance Proceeds

Coquille Valley Flood Control and Harbor Development project will receive the entire net proceeds from the Eagles dance in the Community Building, Saturday, Aug. 8.

Coquille is expected to raise \$350.00, Myrtle Point and Bandon each a like sum, to be used in gathering data necessary for the U. S. Government Engineers, now in this district to give this project the consideration it rightly deserves.

Everyone in the whole Coquille valley from the Douglas county line west to the ocean at Bandon, will benefit by this development.

You can do your bit by buying a ticket to this Saturday night dance. Leave your name with any business man in Coquille while shopping down town and state the number of tickets you can use. That merchant will immediately notify a member of the dance committee and the tickets will be delivered to your home or wherever you wish. Good music, a good time, and all for a worthy cause—tell your friends.

Estes' Team Wins Last Game

Don Estes' team in the soft ball league finally won a game last Monday night, the Gary Ellison club being on the short end of an 8 to 7 score in a mighty well played game.

Seeing that Joe Axtell objects to what the Sentinel said about his soft ball playing last week we will only mention that he did not participate in the game this week.

Because of the earlier dusk in the evening and the fact that it has been hard to get teams assembled since the strike started, soft ball is about through for this year, the game Monday being the last one played. Stan Stevens says his team may play one or two yet, but they will not be scheduled league games.
