Club Notes and Other Social Activities

The Junior Women's Club, which met Monday evening at the Everett Strain home, decided that its major project for the year was to find a suitable meeting place, something they have yet been unable to do. Plans were made for a card party and cooked food sale to be held soon.

The program Monday evening was in charge of Mrs. Jos. Sayre, who discussed the history of the general federation of woman's clubs.

For next Monday's meeting of the club at 8:00 p. m., at the home of Miss Irene Sandon, the president, Mrs. Elbert Schroeder, appointed Misses Vesta Miley, Grace Ellingsen and Blanche Sandon as hostesses, and Mrs. Rosabelle Brown and Miss Miley as the program committee.

The N. O. M. A. club met with Mrs. Ray Detlefsen Tuesday evening, Oct. 6. Members present were: Mesdames Meldon Carl, Denton Ellingsen, Gary Ellison, Felix Miller, Sherman Morse, Harry Keulin, Ralph DeJarnet, Belmont Ireland, Craig Perrott and the hostess.

The Royal Neighbors met in regular session Wednesday night with a lengthy order of business. The district deputy, Ada Lemon, of Myrtle Point, was present and informed the local camp of the visit of the new state supervisor, Mrs. Katherine Benton, who will be here Nov. 18. The Coquille camp and the Myrtle Point camp are planning on a joint meeting for that evening. One application for membership was received and the candidate will be initiated at the next regular meeting. Refreshments were served at the close of the evening. The Tauk-An-So club will meet at the home of Mrs. Jack Leach, Oct. 16, in the evening. The prize was awarded to Mrs. Carl Ensele.

Mrs. Donald Estes entertained her bridge club Tuesday evening at her home on East Second street. The guests for the evening were Mrs. Chas. Haglund and Mrs. Harold Gould. Members present were Mesdames Walter Litzenger, T. S. Stevens, Julius Ruble, E. A. Walker, and Fred Watson. Mrs. Walker held high score for the evening's play.

Football Squad Guests of Lions Club Yesterday
 (Continued from Page One)

Goodman, Lowell Waggoner, Harold Neal, Bill Walker, Robert Arnold, Bobby Hurrell, Jim Richmond, Guy Haynes, Dee Krantz, Virgil Arrell, Lorie Robison, Ray Mattoon, Bert Matool, Dudley Walton, Don Stevens, Preston Moy, Lynn Richardson and Allen Bailey.

Talks were made by the five older guests, by the two captains (Mr. Hatton appoints a field captain for each game, Don McClellan acting in the first, and Ernie Detlefsen in the second), by Allen Bailey, Ray Jeub and Geo. Ulett.

It was frequently mentioned by the speakers that the team had made an excellent season's start in winning from the Marshfield Pirates for the first time in 20 years, but that there were tougher games in the offing which would take everything the boys had in them.

Ray Jeub, during his excellent talk, said to the young men, "The Lions club and the business men are backing you to the limit. Win or lose we are satisfied if you do your best. We can only encourage you, we can't get in and play the game with you, although the Lions did challenge the Rotary Club to a football game, but the Rotary was only willing to play 'tiddiewinks!'" Mr. Lane, the only Rotarian present, denied the soft impeachment.

Coquille Relief Ass'n Donations

While the first intention was to dissolve the Coquille Relief Association as soon as possible after the emergency had passed, the demands on it have been so incessant that it will be continued for a time, or as long as the funds hold out and contributions of money or clothing are received.

To the \$65.25 in the treasury at the start has been added \$1531 in contributions, and E. D. Webb, treasurer, stated yesterday morning that the greater part of it had been expended. There is still a great need and contributions from those who feel inclined to do so will be thankfully received.

SENSIBLE DIET FOR FAT FOLKS

A Fat Life Is Often A Short One Statistics Show

Too much fat puts too much work on any heart—the heart is apt to break down under the strain. Insurance companies constantly warn overweight folks to reduce but make sure you use a safe, sane method. The following has been proven ideally successful—

Cut down on fat meats, butter, cream and sugary sweets. Eat more fresh fruit and vegetables.

Take a half teaspoonful of Kruschen Salts first thing every morning in a glass of hot water for proper elimination. Kruschen helps keep the system free from harmful excess wastes and poisons—gently sweeps them from both UPPER and LOWER bowel without purging or harsh cathartics—insures blissful daily bowel action.

A jar of Kruschen lasts for weeks and costs but a few cents. So start today and reduce—live longer—be healthier, happier, full of the joy of living.
