Keep this country out of war. Engage no enemy outside our own borders.

Keep war out of this country. Maintain a non-militaristic type of preparedness for defense only.

Keep the responsibility for national defense in the hands of peace-loving civilians and avoid the necessity for a big standing army.

Let those who accept free education at the expense of the taxpayers train to assume the responsibilities of citizenship.

Knowledge, not ignorance, will keep us out of war. Every male student should be required to know the facts and to so prepare himself that he can do his part in keeping this country out of war and war out of this country.

Eugene Students' Committee on Education for Peace.

Fred Hamon, Chairman, Pres. U. of O. Student Body.

Clyde Lawson Walker, Secretary. The above statement is the real sentiment of the great majority of the University of Oregon students. Don't be misled by a small minority group.

The above is endorsed by the American Legion of Coquille and of the state of Oregon.

To All Who Suffer from Acute Attacks Asthma-Bronchitis

Persistent Coughs

Two or three doses of the Famous **BUCKLEY'S MIXTURE** in sweetened hot water and sipped slowly just before retiring usually ensures a restful night's sleep.

Asthma-Bronchitis sufferers enjoy a coughless night; you'll sleep sound and wake refreshed if you will be just wise enough to take 2 or 3 doses before you go to bed.

Note—While **BUCKLEY'S** is not offered as a cure for Asthma or Bronchitis it will give immediate relief from that choking, gasping struggle for breath.

BUCKLEY'S MIXTURE is sold by Ruckleff's Pharmacy—and all good druggists on a guarantee of full satisfaction or your money back.

County Dairymen to Meet Mon.

A regular meeting of the Coos County Dairymen's Association will be held at the court house in Coquille next Monday night, October 19, at 8:00 p. m., according to announcement made by M. M. Schmidt, president of the association.

The program at this meeting will be of real interest to all dairymen of Coos county, Mr. Schmidt believes. There will be a discussion on co-operative marketing by R. M. Pressy, who is a field representative for the Challenge Cream & Butter Association.

A report will be given by a committee which has given special consideration to the feasibility of a development of co-operative manufacture and sale of dairy products.

Progress made to date in the Federal Bang's Disease control work will be discussed, the announcement states, and further consideration will be given to the appointment of a full-time dairy inspector in Coos county during 1937.

All dairymen throughout the county are urged to be present.

Coquille Woman's Club

A very successful meeting of the Woman's Club was held in the Episcopal parish house Tuesday afternoon with about 70 in attendance.

The meeting was called to order by the president, Mrs. O. C. Sanford, who presided over the business session.

Reports from standing committees indicate that the club activities are well under way. Mrs. Jack LeFevre, director of welfare, gave a splendid report of her work in connection with the relief work during the recent fire disaster.

Mrs. H. A. Slack, chairman of the library committee, reported that they had turned over \$11.00 to the library fund and were forming other plans for raising funds. It was also reported that there had been another edition of the club cook books printed and anyone wishing to purchase one could see Mrs. Slack or Mrs. Sanford.

Mrs. Elbert Schroeder made a very favorable report for the Junior Woman's club.

The business meeting was then adjourned and Mrs. J. A. Berg took charge of the program. Mayor Berg was also present, having kindly consented to explain the eight measures to be voted on in the coming election. He spoke in a clear and understanding manner and was listened to with strict attention.

Mrs. Berg then announced Leonard Ensele, who faultlessly played a difficult and beautiful violin classic, "The first movement of the Mendelssohn Concerto in E Minor," accompanied by Mrs. M. O. Hawkins at the piano. The music was thoroughly enjoyed. Leonard's rendition of the difficult number adds fresh laurels to his fame as a violinist.

Mrs. Berg then presented Mrs. Sheldon Sackett, of Marshfield, who gave the principal address of the afternoon, her subject being "Higher Education Looks to the Future." Mrs. Sackett has served as private secretary to three governors of Oregon and is a thoroughly posted woman. She made a most inspiring talk, going back to 1851 when the first attempt was made to establish a higher institution of learning at Corvallis, eight years before Oregon was admitted into the union and followed, step by step, up to the present day institution, giving also the history of all colleges and normal schools in the state. The address was highly appreciated.

Tea was served by Mesdames Lafe Compton, Geo. Ulett, J. A. Berg, C. E. Niles, C. W. Gano, J. D. Rankin, J. E. Axtell and L. Peterson.

Mrs. Ulett and Mrs. Axtell presided at the daintily spread tea table. Others present during the afternoon were Mesdames O. C. Sanford, C. C. Farr, K. P. Lawrence, J. A. Lamb, E. E. Johnson, S. M. Nosler, Jack LeFevre, L. W. Oddy, Roy Wheeler, Nellie Frey, James Watson, C. J. Fuhrman, M. O. Hawkins, Fred Kunz, Annie Robinson, M. Earl Wilson, Roy Barton, Geo. Bryant, H. A. Slack, A. L. Beck, Wm. Mansell, C. W. Kline, R. T. Slater, J. R. Bunch, Geo. Taylor, A. J. Sherwood, L. L. Bonney, Wm. Ulett, Ora X. Maury, Clarence Tuttle, Julius Ruble, R. A. Wernich, L. H. Hazard, Geo. H. Chaney, R. B. Rogers, Chas. Stauff, J. D. Gillespie, Christina A. Bartlett, C. C. Southard, Roy E. Fox, D. D. Dale, J. L. Stacer, F. R. Hendricks, P. W. Lane, C. K. Norcott, L. E. Phillips, R. C. Johnson, W. C. Rose, A. J. Pesper, Geo. H. Jenkins, C. E. Ashworth, Elbert Schroeder, Mrs. S. F. Sackett, of Marshfield, Mrs. Dodge, of Myrtle Point, Mayor J. A. Berg and Leonard Ensele.

Coquille High School News

On Monday afternoon students of the high school and junior high school attended a pay assembly entitled, "Electrical Wonders." This was held in the high school auditorium. The electric eye, electric ear, and other marvels of this modern age were demonstrated to an attentive audience.

The junior class will hold a Halloween party this evening at the high school. Eileen Kendall is acting as general chairman of the party.

This week marks the end of the first six weeks' period. On Monday the report cards for the first grading period will be issued. The report cards follow an individual graph this year and will indicate very clearly whether or not the student is maintaining his or her scholastic average.

This afternoon Coquille's football team will meet North Bend high school at North Bend. A loyal group of enthusiastic students plan to support their team on alien territory.

An interesting student assembly was held last Friday morning with each home room contributing five minutes of entertainment. Instrumental music, skits, and vocal selections comprised the program of the morning.

The junior girls have again maintained their supremacy in baseball over the girls' teams from the other three classes in a series of baseball games sponsored by Miss Davey and Miss Schaffer. This is part of the intra-mural athletic program for the year.

Calling cards, 50 for \$1.00.
