Townsend Club to Meet

Every Tuesday Hereafter

The Coquille Townsend club held its regular meeting in the W. O. W. hall Tuesday evening with a good attendance present. The Townsend orchestra was on hand and opened the meeting with its fine music.

The regular order of business was conducted by President Dey. One item of importance to the members was the decision to hold meetings every Tuesday night in the future. Members are asked to keep this change in mind. Tom Drake will be the official delegate to the district convention held in Eugene next Sunday. Several other members plan to go but not as voting delegates. Attention of members was called to the trial of Dr. Townsend for contempt of a senate investigation committee about one year ago. It is the feeling of the club that the investigation was unjust and the contempt charge is a disgrace.

After the regular business session the members enjoyed a program given as follows: vocal duet with guitar by the Finley sisters; harmonica solo by Howard Pribble; vocal solo and reading by Tom Drake; tap dance by Townsend Tappers, Wilma Drake and Bernice Hagge; piano solo by Verene Bailey.

After the program refreshments were served by the ladies of the club. The members have a fine time at this social hour and cordially invite anyone to attend.

Jensen and Lipscomb to

Head Feb. 24 Card

(Continued from Page One)

conceded him a chance against the Missouri tornado. But the Swede not only beat his man but showed the fans what real condition and cleverness meant.

Lipscomb really hasn't suffered a defeat, though last week in Coquille he used up two referees, with the second referee of the evening disqualifying him in the second fall which enabled his opponent, Ben Sherman, to win the match. If Lipscomb had been allowed to go his course Sherman might have needed the attention of a doctor rather than the decision of a referee.

So it will be Jensen against Lipscomb in the two-hour main event. And the question is will the smart old Swede reach deep down into his bag of tricks and out-fox Lipscomb as he did Clayburn?

In the one hour semi-windup, Logger Heibert from the wilds of Montana, will go against Dilly Davis, recently of Ellensburg, Wn. The Montana logger is one of the most unorthodox wrestlers in the game and he literally flies at his opponent, frequently landing all of a-tangle in the ropes. He has one of the screwiest holds known to man which he calls his Heibert special. It is appropriately named for only Heibert seems to be able to work it. Davis is now well known to Coquille fans who like the lean-cut Ellensburg boy and believe that he has a great future before him.

Snake man Otto Luger makes his second appearance in Coquille, this time against Charley Keene who will be seen for the first time by Coos county fans. Keene is fast and clever while Luger is fast and aggressive. It looks like the right combination to start the evening off with.

Harry Elliott, who was recently elected by the Marshfield Commission to promote boxing and wrestling there, announced Tuesday that the cards in Coquille would continue as before without any conflict in dates with Marshfield. Elliott has reservations for the Community Building for his matches up until June.

The first bout will begin at 8:30 sharp on Wednesday and reserve seat tickets may be purchased before the bouts at Bill Fortier's place. Fans are urged to come early if they want to get seats.

People Invited to Kindergarten

The public of Coquille will have the opportunity today (Friday) at 1:30 o'clock of visiting Mrs. Alice Lafferty's kindergarten at the Pioneer Methodist Church. Open house from 1:30 to 3:45 p. m.

A special program of all classes and activities have been planned for the pleasure of parents and those wishing to acquaint themselves with the curriculum of kindergartens.

All periods of rhythm development in the music classes will be stressed.
