Gossin Faction Controlled

Allan Greenwood, of Oswego, is the new president of the Oregon Young Democratic clubs. Supported by the W. L. Gossin faction, he triumphed over A. Ray Martin, of Eugene, in the voting at the state convention in North Bend Saturday. Walter Tooze III, also of Oswego, and himself a candidate for the place previous to the convention, joined in a coalition effected by Howard Latourette, national committeeman, supporting Martin but this last minute swing was not sufficient to halt the organization machine which functioned perfectly. Pendleton was selected for the 1938 convention.

Mauney Quits at North Bend

Guy Mauney, high school principal at North Bend for the past six years, has resigned his position with the schools to enter private business. Mrs. Mauney is the daughter of Mr. and Mrs. J. E. Paulson of this city.

Track Practices Under Way

The track prospects for the girls are very good and practice is well under way. There are only two events open to the girls, baseball throw and the dash. Fairy Cardwell and Marvina McClellan, both of whom won letters last year in track, are out again this year. Others who have turned out for practice are Leona Cole, Vivian Cole, Glenda Clinton, Dorothy Hardenbrook, Betty Jo Thorp, Beth Hooton and Georgia Briner.

The boys' track practice under the direction of Mr. Sayre and Mr. Freese has been delayed because of the rainy weather. The week of practice just passed has shown some splendid prospects for the Junior High track team. Following is a list of those who turned out for track: Jack Bouvia, Theodore Dana, Eugene Davis, Joe Don Estes, Alvins Hickam, Donald Hardenbrook, Jack McCracken, Charles Walker, Arthur Wilberger, Wilton Willey, George Holbrook, Bob Martin, Jack Newton, Wayne Terry, Richard Jensen, Orin Davis, Richard Dye, LeRoy Gilbert, Jack Hickam, Arlington Knife, Paul Walker, Harold Peery.

County Music Festival

Saturday, April 24, the Coos County School Music Festival is to be held at the Community Building, Coquille. Representatives of grammar and junior high schools from all parts of the county will be present to make their musical contribution. Mrs. Fred Watson is to act as director.

The Lincoln school will have quite a large group to enter the Festival. The ensemble group will include the seventh and eighth combined and the sixth grades. As all songs are to be sung from memory and without accompaniment, the classes are working hard to perfect these points.

The Festival will begin at 1:30 p. m. and admission is free. A large representation is expected as well as a large audience of parents and friends. It promises well to be a most entertaining and instructive afternoon.

Attended Ford Meeting

Clyde E. Niles, R. F. Parshall, Garrett Menning, Thos. Wisdom and E. E. Watkins, of the local Ford agency, the Niles Motor Co., returned Wednesday evening from Portland, for which place they left Tuesday morning to attend the largest Ford gathering ever held in the city of roses.

The purpose of the meeting was to meet with and hear W. C. Cowling, of Dearborn, Mich., director of sales, and other officials of the Ford Company.

The visit of Mr. Cowling, the man responsible for the direction of Ford sales operations, and his associates, was for the purpose of outlining to our dealer organization the progress made to date in the aggressive 1937 sales program of the Ford Motor Company," states Mr. Niles.

"It was pointed out at the meeting that a real sales record for Ford V-8 cars has been made since Mr. Cowling's last trip two years ago and since the re-opening of the Portland branch last July. Sales of Ford passenger cars, trucks and commercial units are running way ahead of last year."

Dealers gathered at the Multnomah Hotel in Portland for luncheon Tuesday to hear Cowling tell them about "Ford leadership for 1937." In the evening, the 300 Ford salesmen dined in the grill room of the hotel to hear the high Ford executives outline the company's extensive sales and advertising program, the most comprehensive in Ford history.

Plenty Answered His Adv.

"Stop my adv.," said G. E. Trott Tuesday morning. "I had 16 calls on Sunday from people who wanted to rent my place, and the total number who inquired was in excess of 30." Needless to say he had rented.

1937 Ford V-8

• If you think that "all low-price cars cost about the same" — forget it! They don't.

Ford makes a car — a 60-horsepower economy Ford V-8 — that sells from \$20 to \$60 dollars under the price of other cars of comparable size. The lowest Ford prices in years!

Check delivered prices in your town and see for yourself.

• Of course, first cost doesn't prove "low cost" — you must consider operating cost also.

The "60" has definitely established itself as the most economical car in Ford history. Ford cars have been famous for economy for 34 years, so that means something!

Owners who have driven it thousands of miles report that the Ford "60" averages between 22 and 27 miles on a gallon of gasoline.

You can prove those figures — on the open road — in a car provided by the nearest Ford dealer.

• When you've finished your personal check-up, ask yourself:

"Do I want to save money the way I buy my car? Will every mile I drive it?"

"Do I want a safe, roomy, comfortable car of advanced design — created from the finest materials to the highest precision standards?"

There's only one answer, of course — the 1937 Ford V-8.

Ford V-8 \$529 at Dealership. Price includes transportation charge, title and Federal tax etc. This price is for the 49-horsepower Coupe equipped with front and rear bumpers, spare tire, hood, windshield wipers, one vision glass, door trim, and ash tray.

\$25 A MONTH, after local delivery, keeps any Ford V-8 Car. From any Ford dealer, members of the U. S. F. through Authorized Ford Finance Plans of National Credit Co.
