Coquille Building Permits
Building and remodeling permits issued by the city the past week have been as follows:
To John S. Sanders for a 22x26 house, to cost \$1100, at the corner of Fourth and Moulton.
To Coos Securities for a two-story, 80x32 feet, stucco building at the corner of the highway and Second street. Whether this will go through or not will depend on whether the land can be bought, and it has not yet been.
To C. W. Gardner, for remodeling the office of the Coquille Machine Shop at an estimated cost of \$50.
Ask for Cow Bell Dairy cream and milk, the only milk and cream made safe by pasteurization.

Two Lions Cubs Initiated
Two cubs were initiated at the Lions Club luncheon yesterday noon—Dr. C. G. Stem and Don Strong with Dave Ruckleff telling them how Lions should conduct themselves.
The sentiment of the club in regard to a letter from the Coquille Fire Department asking that representatives attend a meeting next Tuesday to consider means of providing a new library room so that the firemen could make use of the room above the fire trucks, was that no change should be made until suitable quarters for the library could be provided. The opinion expressed was that a new fire hall might better be built. Les Greene was appointed to represent the Lions at next Tuesday's meeting.
