CONTEST BOARD (Washington, D. C.)

"RESULTS OF EXTENSIVE TESTS conducted by the Contest Board of the American Automobile Association on the nine non-premium gasolines leading in sales volume in the Pacific Coast area substantiate the statement of the Standard Oil Company of California that Standard Gasoline is Unsurpassed."

To Standard Gasoline goes this new high distinction—Certified Unsurpassed.

This finding speaks for itself. It is the official report of the A.A.A. Contest Board, Washington, D. C.—the nationally recognized authority on automotive performance of every sort. Year after year Standard Gasoline is unsurpassed—the ideal motor fuel for your car. And—you can depend on it—Standard will be kept unsurpassed.

The proof's in every gallon—try a tankful!
