Spiritualism to Be Demonstrated

One of the many interested features of the revival meeting now in progress at the Coquille Church of Christ is a demonstration of spirit slate writing and the answering of questions in sealed envelopes. This will be done by the evangelist, Walter Fiscus, at the Friday night service. The meeting is now in the second week and will continue through all of next week. Much interest is being shown and the house is well filled at each service. Services are held each night except Saturday, starting promptly at 7:30 and closing before nine o'clock. Besides a soul-stirring message there are special features of interest at each service.

At Pioneer Church Sunday

"Modern Science and Prayer" will be the subject of the sermon by the pastor, Rev. W. Raymond Wilder, at the eleven o'clock service Sunday morning. Those who have any doubts about the reasonableness of prayer are especially urged to be present. Such questions as, Is prayer scientific? and Is prayer governed by law? will be adequately answered. "The Only Weapon that God Recommends," will be the sermon subject at the evening service. The evening service will begin at 7:30 p. m. earlier than usual. The Epworth League will meet at six-thirty, and the evening service at seven-thirty. Pioneer church choir will sing at both services, and other special numbers will be featured.

The Sunday school meets at ten o'clock in the morning with a brief devotional period for each division, followed by classes in Bible instruction for all ages. Everyone is cordially invited to attend either, or all, of these helpful services. A cordial welcome awaits you.

A Sunday School Contest

A three-week Sunday school contest between the Full Gospel churches of Coquille, Marshfield and Myrtle Point is to open Sunday. The contest is based upon increase of Sunday school attendance and is to be figured on a percentage basis to compensate for the variance in size of the schools. The contest will run for thirteen weeks and an intensive program will be carried by the Coquille Tabernacle during that time, according to the pastor, Rev. R. D. E. Smith. New equipment has been built for the primary department of the local church. Parents will be interested to know that the work the children do in this department not only maintains a high spiritual standard, but comes close to a kindergarten education. Sunday school opens at 9:45 Sunday morning and the contest roll is closed at 10:05. Mr. Smith is speaking Sunday morning on "What Heaven Means to Me."

On Wednesday morning a short pep assembly was held, presided over by Richard Walker, student body president, to further the sale of student body tickets. Phyllis Hall Weds Werner Plaep

An item which the Sentinel overlooked last week, or rather one of which it did not learn until the Sept. 10 issue was out, was the marriage of Miss Phyllis Hall, a teacher in Coquille high school for the past five years, and Werner Plaep, son of H. K. Plaep, who lives on the highway to Bandon.

The wedding took place at the bride's home in McMinnville on Saturday, Sept. 4, in the afternoon. The ceremony was performed by her father, Capt. G. L. Hall, an ordained minister. Only relatives of both the contracting parties were present, Mr. and Mrs. Plaep going from here, and a sister of the bride from the east and a sister and husband from California coming to McMinnville for the occasion. The three latter are all musicians and they furnished the music.

Following a short honeymoon trip the happy couple arrived in Coquille on Labor day and are temporarily at home in the Folsom Apartments. Mr. Plaep, a graduate of Coquille High, is employed at the Smith Wood-Products plant as a lumber inspector.

The bride, who was in Coquille a month or more ago, spent an enjoyable summer on a trip to southern California and Mexico.

6800 Drivers Fail to Pass

More than 6800 Oregon motorists have been refused operator's permits this year, according to Secretary of State Snell. Examiners for the motor vehicle operators' division have rejected 2217 because they did not know how to drive. 2121 were turned down because of ignorance of the traffic laws, 1540 applicants were found to have defective vision and 612 had other physical or mental handicaps. Twenty-three applicants were found to be epileptics. Twenty-two could not interpret road signs.

RIVERTON SCHOOLS

Riverton's New Teachers There are three new teachers in the Riverton school system this year, two in the high school and one in grade school. Miss Hufford, who once attended the Riverton grade school, teaches home economics, English, health, girl's athletics and has charge of the paper, annual, library, and the Girls' League. Miss Gilman teaches shorthand, American history, typing and has charge of the office and supplies, and the Girls' League. Both teachers graduated from the Coquille high school and from the University of Oregon last spring. Miss Gilman also attended Oregon Normal school for two years.

Mr. Leonard teaches in the grade school and replaces Wayne Smith who now teaches in Coquille. Mr. Leonard previously taught at Lostine, Or. —Frances Goodwin

School Enrollment

This year there are to be twelve graduates as compared to last year's eight. There are nine sophomores who will derive a rare delight from the torture which they will so mercifully deal to the fourteen defenseless little freshmen, while the fourteen juniors laugh with glee and recall what a glorious time they had initiating the present nine sophomores. —Bessie Pointer

Awarding of Letters

A short assembly was called by Mr. Robison on Thursday, September 9, 1937, to award basketball letters to the boys who earned them last year. Those receiving letters were: Grant Hartwell, capt.; Warren Haga, Joe Fetch, Rex Chappell, Lee Cox and Billie Ray. —Lois Auer.

Class Meetings

The senior class held a meeting, under the direction of Mr. Robison, to elect class officers. Grant Hartwell was elected president; Joseph Fetch, vice president; Bonita Fee, secretary; and Bob McCue, treasurer. Plans were discussed for putting on a smoker, a senior ball, for selling pop and hamburgers at games and at noon to raise money for the treasury. The purchase of class rings was also discussed. —Grant Hartwell
