The dates for the bazaar sponsored by the Fairview Ladies Aid have been set for Saturday, December 4, and Monday, December 6, and will be held at the Silver Variety store in Coquille. The display will consist of animals made by the club and will make lovely Christmas gifts as ornaments or toys. The proceeds from the bazaar will be used to help finish the interior of the new church building. Remember the dates!

Rev. G. A. Gray, of Coquille, conducted morning church services last Sunday in the new Fairview church building. The secretary's report showed a total of 66 persons present for Sunday school classes while others arriving later raised the number much higher.

A community Thanksgiving supper was held at the Riverside school last Friday evening at seven o'clock with thirty-four persons present. The school pupils, under the direction of their teacher, Miss Iris Fitch, presented a very enjoyable program. The remainder of the evening was spent playing various games. Another evening of this type is being planned for the Christmas season.

Ralph Southstone, local mail carrier, could not get through with the mail last Saturday.

**BRIDGE**

Plans are under way for a community Christmas program again this year, the plan having worked so successfully last year. C. E. Ellison, principal of the school, is general chairman. The Grange, at their Friday evening meeting discussed the project and appointed Blanche Leclerc, Beth Culver and Irene Hatfield to represent their organization. Maud Hooton, Nadine Ellis and Junior Bartlett have been appointed to represent the Bible school and Christian Endeavor. The Woman's Civic club will take action on the matter at their meeting Friday. These various groups, including the school, co-operate in arranging and present-

ing the Christmas program, decorating for it, providing Christmas treats for all the children in the community, and sending remembrances to the shut-ins.

Mr. and Mrs. Dwight Culver and children were dinner guests Sunday at the home of Mrs. Culver's sister, Mrs. Dan Cribbins, in Myrtle Point.

There was a good attendance at the Grange meeting Friday evening in spite of the deluge. Thomas and Genevieve Luttrell and Austin Bryn were elected to membership. Vern Magill gave a talk on current legislation. A poem, "Life's Clock," was read by the Lecturer, and a new Grange closing song was introduced by Banche Leclerc and Marjorie Magill. Plans were made for a day of work on the hall Dec. 1. The men will meet and do the carpenter work and the ladies will serve them a chicken dinner.

About 15 members of the Woman's Civic club met Wednesday at the home of Mrs. Amanda Ehrig and spent the day working on articles for their bazaar.

Dwight Culver was a Coquille visitor Monday.

Mrs. Ira Smith and son, Wollcott, and daughter, Dorothy, have returned from their trip to Colorado and are now settled in the Sam Ocheltree house, on Salmon creek. The Ocheltrees have moved to Medford for the winter.

Mrs. Hattie Hatcher, of Myrtle Point, visited Friday at the home of her mother, Mrs. M. Brownson. Mrs. Brownson has been ill and regains her strength very slowly.

In spite of the downpour of rain Monday morning there were 15 present, besides the pupils and teachers, to hear the fine talk given by Bishop Dagwell in the school auditorium. His talk, appropriate to the Thanksgiving season, was much enjoyed by those who heard him.

Mrs. M. O. Hooton will have charge of the Christian Endeavor meeting Sunday evening. Her topic is, "Suppose There Had Been No Missionaries." This will be followed by a

program on the work of the American Mission to lepers. Everybody welcome.

The E. F. Davidson family of Coquille visited Sunday at the Chas. Farmer home.

The Christian Endeavor gave a very enjoyable, "Red and White" party at the church Monday evening. Following the singing of some "welcome" choruses, a number of games and contests were enjoyed. Pumpkin pie was served and the evening came to a close with a candlelight song service. Present were Mr. and Mrs. Orlin Lett and little daughter, Joan; Myrtle and Virginia Beckett; Cherie Mae Hartwell, Eleanor Menegat, Lou and Maude Hooton, Viola Dunckley, Virginia and Vivienne Lake, Nadine Ellis, Ruth Walker, Pauline Farmer, Ruby and Florence Johnson, Robert Dunckley, Billy Huff, Evin Oestrich, Junior Bartlett, Clyde Puett, E. J. Walker and Robert Ocheltree.

**At Christian Science Churches**

"Soul and Body" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, November 21.

The Golden Text was, "My soul, wait thou only upon God for my expectation is from him (Ps. 62:5).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "For we walk by faith, not by sight. We are confident, I say, and willing rather to be absent from the body, and to be present with the Lord." (II Cor. 5: 7, 8).

The Lesson-Sermon also included the following correlative passages from the Christian Science textbook, "Science and Health with Key to the Scripture," by Mary Baker Eddy: "Identity is the reflection of Spirit, the reflection in multifarious forms of the living Principle, Love. Soul is the substance, Life, and intelligence of man, which is individualized, but not in matter." (P. 477).
