Basketball News
The Lincoln Junior High basketball team divided honors with Empire grade school at a double header played last Friday, January 21, at the Community Building.

The J. H. S. midget team lost to the visitors by the close score of 8 to 9. The game was hard fought from beginning to end with the final outcome very doubtful during the entire last half.

As in the first game, the winner of the second game between first string players of both schools was determined by the very close margin of one point. Fortunes were reversed, however, and the J. H. S. team found itself on the winning end of an 11-10 score.

The local teams made good a high percentage of the shots attempted but seemed unable to get in a desirable position for shooting. The players of both J. H. S. squads are to be commended on their ability to convert bad starts into close or winning scores as in both games the visitors were well ahead at the close of the first half.

Garbo, Boyer on Roxy Screen in "Conquest" Tonight, Tomorrow and Saturday

Hailed as the most distinguished motion picture in which Greta Garbo has yet appeared, the Roxy Theatre announces with pride its forthcoming showing of "Conquest," stirring romance of the fabulous Napoleon Bonaparte and the woman he loved, in which the glamorous Swedish star makes her first co-starring appearance with Charles Boyer, hero of "The Garden of Allah" and "History Is Made at Night."

In the new story, filled with the memories of an epochal period in world history, Garbo plays the role of the beautiful Countess Walewska, who forsakes her home and her husband in an heroic attempt to win over Napoleon and thus save the life of her country. Boyer in an astounding realistic makeup is seen as Napoleon whose power-mad determination to rule the world leads him to doom.
