"Alcatraz Island" at Liberty Theatre Thurs., Fri., Sat.

Everybody in the United States has heard of "Alcatraz Island," that rather smallish bit of rock which is washed by the chill cross-currents of San Francisco Bay.

But few persons apart from San Francisco residents have ever even seen the island itself, and almost nobody has been on the inside of the prison situated on the rock.

The picture is called "Alcatraz Island," and its leading players are John Littel, Dick Purcell, Gordon Oliver, Mary Maguire and Ann Sheridan. The tale has to do with a racketeer—played by Littel—who is, in his way, fairly decent. He'll take all the money he can get but he won't countenance murder.

"Alcatraz Island" isn't altogether a prison story. It would be too drab if it were. Gat Brady (Littel) has a daughter whom he has kept in private school before his arrest, and who knows nothing about his means of livelihood. The yarn concerns itself with how the girl (Mary Maguire) falls in love with the District Attorney (Gordon Oliver) who has sent Gat away, and with how—after still another framing, this time on a murder charge—Mary and Gordon rally to his rescue at his trial for life.

"Alcatraz Island" is a complete novelty as a movie, and has a smashing climax which straightens everything out in a logical manner. William McGann directed the picture from a story by Crane Wilbur. Among other notables in the cast are Vladimir Sokoloff, Ben Weiden, Addison Richards, George E. Stone, Peggy Bates, and Ellen Clancy.

Basketball News The Lincoln J. H. S. basketball teams both took a defeat at the hands of the North Bend squads last Friday. This was the local boys' first opportunity to play in the new gymnasium at North Bend and although all agreed that it is a mighty fine building, the teams showed a definite handicap because of their inexperience on a floor of that size. In both games the winner had to be decided by an overtime period of two minutes. This fact demonstrates how close the games were and the J. H. S. team is looking forward to a chance to play North Bend here on February 26 with the idea of making good its losses.

By a strange coincidence the fourth quarter of both games closed with the tie score of 8 to 6. North Bend midget team made two baskets during the overtime period so that the game ended with a score of 6 to 10. The regular teams were a little more closely matched during that last two minutes so that the closing score of 8 to 10 resulted in just a one basket margin for North Bend.

Red Devils Win From Marshfield

Coquille's high-stepping basketball team took the third straight game from the Pirates Tuesday evening at the Marshfield armory.

The game started off with Coquille securing the tip, but the Pirates took it on a rebound and started up the floor, to have the ball intercepted and Bailey caged the first score of the game. The Pirates couldn't seem to hit the basket, as Coquille gained a six-point lead at the quarter. The second period saw Coquille increase the lead 11 to 3. Hansen of the Pirates scored all their points, as Bailey scored six for Coquille.

In the second half the Pirates came up to 10-15 to end the third quarter, both teams sending in substitutes.

In the fourth Coquille came back to increase her lead to 24 to 12, after which Coach Hatton sent in nearly all of the subs. With the aid of Bailey, Arnold put one in from under the basket to give his mates a two-point increase. McFadden, of the Pirates, put in a foul shot to end the scoring for the evening.

Hansen, of Marshfield, was high for his team with six points. Bailey was high scorer of the game with 14.
