Frank Biasca, graduate of G. H. S. last year, is evidently continuing to do the same good work at college that he did in high school. His card for the last semester, received here by his father, Antony Biasca, showed straight A's in five subjects. Only in physical education did his mark fall below A.

Attend Chev. Conference
Mr. and Mrs. Paul McElwaine, of Marshfield, and Cliff Gulseth, of Coquille, were a portion of the two carloads of Southwestern and Bay Motors managers and salesmen who went over to Medford Tuesday evening to attend a Chevrolet district comparison meeting.

Two more carloads left at four o'clock Wednesday morning for Medford. Others going from here were O. A. Hughes, Mike Graham, Chas. Briggs, Pat Maginnis, I. A. Elrod, O. E. Larson, Wayne Carver, Archie Bushnell, of Myrtle Point, and V. C. Richardson, of Bandon.

Carl Donough Visits Coquille
Carl C. Donough, candidate for the democratic nomination as U. S. senator from Oregon, was a Coquille visitor last Thursday. He was also a guest at the Lions club luncheon where he was called upon for a talk. Knowing that a service club is not the place for political discussion, Mr. Donough gave an excellent talk, eliminating entirely any reference to his political campaign. The same cannot be said for the gentleman from Portland who accompanied him and who seemed to think it the time and place for a discussion of candidate qualifications.

Could Use It in August
If some of the water now going to waste at the spillway of the storage dam on Rink creek could be saved, it would relieve any possible water shortage next summer.

Water Superintendent Epperson said Monday that there was a nine-inch stream flowing over the nine-foot spillway, which is a lot of water in 24 hours.

Eagles Auxiliary Gave Good Show to Small House
It was only half a house which greeted and enjoyed the presentation of "Deacon Dubbs" at the Liberty Theatre Tuesday evening but the Eagles and Auxiliary members of the cast gave a fine portrayal of the comedy and were entitled to expect a larger income for the treasury than they will receive.

For a limited time only the Sentinel will accept \$3 for a two-year subscription. This applies not only to new subscribers but to those now on the list, whether they are in arrears or already paid in advance.

Late Noise Makers Fined by Recorder

Jas. A. Montgomery, who lives beyond the county farm, was arrested here last Friday night for driving while drunk. City Recorder Leslie fined him \$100 and gave him 30 days in jail. He was also fined \$5 by Justice Barton for driving without an operator's license. Pat Geaney whose car Montgomery was driving was fined \$5 for intoxication. Officer McCrary followed them out to the high school to make the arrest.

Three young men, Winfred Arnold Schroeder, Wm. J. Buffington and Chris Jos. Geiry, were the first to be arrested in the anti-noise campaign. They each paid \$5 of their \$10 fine Tuesday for being out in the early morning, making a racket and refusing to go home.

Jack Wesley Phinnegar was arrested at 1:15 last Saturday morning and was fined \$5 for violation of the after-hours ordinance.

Gaylord Ranch Sold

A ranch deal in the Gaylord section recently was made by John Carman and Thos. Luttrell, who purchased the R. P. Carman ranch which adjoins the John Carman home place. Several hundred sheep are being run on the combined ranches. Mr. and Mrs. Luttrell will move on to the place in the spring.

John Carman, who graduated last year from O. S. C. where he majored in animal husbandry, is a nephew of R. P. Carman and a brother of Mrs. Luttrell.
