W. C. T. U. County Institute
 The W. C. T. U. County Institute will be held in the Church of Christ April 5th, starting at 10:15 a. m. In the morning, there will be reports of the directors as well as reports of local presidents of Powers, North Bend, Marshfield, Myrtle Point, Arago, Bandon and Coquille. Mrs. Geo. Gray, of Coquille, will have charge of the devotions. A Union Signal play will be given in the afternoon by Coquille women, this being followed by a W. C. T. U. Junior medal contest at 3:00 p. m. by children of the Church of Christ. A covered dish luncheon will be served at noon. Friday evening, April 1, there will be a W. C. T. U. Junior Medal contest held at the Pioneer Methodist Church, admission free.

Beauties of Hawaii Shown in Screenplay at Liberty Sun.
 Who has not longed to make a trip to the fabled Hawaiian Islands? Who that has been there has ever been able to lose the desire to return? Who has not thrilled at the very mention of Waikiki Beach, with its dusky men and girls riding the waves on surfboards or in picturesque outrigger canoes? Who could fail to be interested in the hula and other ceremonial dances of the natives, performed in the colorful surroundings of these tropical islands?
 These questions are suggested by the coming engagement of "Hawaii Calls," Bobby Breen's latest musical starring vehicle for RKO Radio. The picture, it is said, virtually constitutes a personally conducted tour of Hawaii. Except for scenes on shipboard, the entire action of the story takes places in "the Islands."
 In "Hawaii Calls" Bobby's supporting cast includes Ned Sparks, Irvin S. Cobb, Gloria Holden, Warren Hull, Mamo Clark, Juanita Quigley and Pua Lani. Bobby sings several old favorites as well as new songs written for this picture, Raymond

Paige and his orchestra supplying much of the music.
 "Hawaii Calls" opens at the Liberty Theatre Sunday for three days.

Townsend Club Entertained
 Coquille Townsend Club No. 1 met Tuesday evening with a record-breaking crowd present. After a brief business session, Prof. Bunnell entertained with songs, jokes and then cranked off several thousand feet of talkies, showing Dr. Townsend being interviewed regarding the Townsend Plan. Following the showing of this film, another entitled "Calling All Cars," was shown. Both pictures were greatly enjoyed. The professor was until recently acting as M. C. for The Morgan Family-famed radio performers.
 It was voted to move the local club to the Community Building. So don't forget—they will be at home in their new quarters the 12th of April, for a regular house-warming jamboree. It will be social night. Everybody turn out and help make this the biggest event of the club.
 The coming Tuesday, the club will meet in regular business session at their old meeting place in the W. O.
