400 Attend Townsend Meeting Tuesday Evening

With a crowd present that would have done credit to a Fourth of July gathering, Townsend Club No. 1 of Coquille, really "went to town," Tuesday evening at their opening ceremony at the Community Building. A crowd of four hundred persons was present for the meeting, entertainment and dance which followed. Visitors were present from various points of the county—North Bend, Marshfield, Myrtle Point, Bandon, Greendell—rural districts being represented as well.

After a short business session, a telegram was read from Gordon Ware, national speaker, by President Starr, of North Bend Townsend Club. He urged that all clubs of Coos county meet in a big rally Sunday, April 24 and it was agreed to hold the meeting at Coquille. A record-breaking crowd is expected to attend.

The following program was presented, prior to the dance, music being furnished by Coquille Townsend orchestra: LaVelle Roth and Dorothy Moore, two little crowd-pleasers, rendered a musical selection and a pleasing song. Lee Finley, who always delivers the goods, rendered two songs. Dr. Clarke, of Myrtle Point, was exceptionally good in two

readings. The Doc "went to town in a car." Not to be outshone by her husband, Mrs. Clarke rendered also two readings, which were equally as good as the doctor's. Mrs. and Miss Schroeder were excellent in two vocal selections. Richard, Sherman and Marion Gregory made a hit in musical numbers. These youngsters, always good in the past, fully outdid themselves Tuesday evening. A guitar solo by Elmer Dalton was splendid and called for an encore. Wilma Drake and Bernice Haga, those two lovable little tap dancers, put on their usual brilliant performance. Tom Drake, president of the local club was very good in "mike" fright and promises to do even better at the coming session next Tuesday evening.
