A decided majority of the guests played contract but there were tables of auction, hearts, rummy and pinochle. The merchants of Coquille played a very special part in the success of the party by donating all of the prizes. **Soft Ball Starts May 23**

All games of the Coquille valley softball league that are played in Coquille will be on Kistner's field, northwest of the Southern Pacific depot. This had been decided even before the attempt was made at the council session Monday evening to stop the turfing of Athletic Park this spring so that the games could be played there.

The season is to open May 23 and will run for two months. Some of the games may be played in Riverton and Myrtle Point as teams have been entered from those two places.

The games will be played on Monday, Tuesday, Wednesday and Thursday evening of each week, and there being eight teams in the league it means one game a week for each.

S. F. Stevens announces the following as the first week's schedule:

May 23—Junior C. of C. vs. Plywood.  
May 24—Myrtle Point vs. Pastime.  
May 25—Moore's vs. Fuhrman's.  
May 26—Riverton vs. Stevens.  
No admission will be charged, the game being played primarily to provide recreation and exercise for the young men who will participate.
