Former Teacher Here Married
Early Saturday morning the Turner MacDonald family were surprised by visitors at their Port Orford home who requested a marriage ceremony. The lady, Thelma Wilkinson, taught school in Coquille and Nofway for several years, as also did her sister, "Bunny." The C. C. Farr and MacDonald homes were homes of the Wilkinson sisters when they were here.
As the MacDonalds had not seen Thelma for seven years and had no notice of her intentions, her request was a great surprise. However, Mr. and Mrs. MacDonald accompanied the couple to Gold Beach, where Mr. MacDonald performed the rites in the home of Mr. and Mrs. Sands, which made Marvin L. Schepman and Thelma Wilkinson husband and wife.
Mr. Schepman has just received his Master of Arts degree at the Oregon University and they drove immediately to Berkeley, California, to visit his mother. He has been selected as professor in special language work at Red Bluff, Calif., this year.

Townsend Club
Coquille Townsend Club No. 1 met Tuesday evening at headquarters in the Community Building, with a very good attendance present. It developed into one of the most lively business sessions held in a long time. Much of the evening was taken up by the delegates' report concerning the big convention held at Los Angeles and was very interesting to all Townsends.
A pot-luck supper was held after the meeting which was greatly enjoyed. The occasion was the termination of the drive for members in which the ladies, headed by Mrs. Tilghman, and the men by Lans Lenewe, stage the contest. Many new members were added to the club's roster but it will take a final check-up to ascertain as to which side won. Both sides are claiming victory and it is expected that the count will be close.
Next Tuesday evening is social night again and a fine program is being planned, with dancing to follow.
Calling cards, 50 for \$1.00.

Coquille Eagles
Coquille F. O. E., No. 2196, met in regular session last Thursday evening. Although it was a business session, it was later turned into a splendid social evening. Several vocal selections were rendered by the Aerie's favorite singers — Messrs. Ball and Bailey. President Ed Vinton made his debut as a singer and was accorded a royal welcome. The Gregorys furnished splendid music for the dance.
During the meeting plans were discussed and made for attending the big Eagles convention at Klamath Falls, starting Thursday, June 30th, and ending July 2nd. Several delegates from the local Aerie will attend. The names of these attending, together with a report on the convention, will be forthcoming after the convention.
The spirits of all the members present were dampened by the statement made by E. L. Vinton that he was tendering his resignation as president of the Aerie. He has served but a very short term, having only recently been elected. A fine position has been offered him in a supervisory capacity with the government, one such as he held in the middle west not long ago, and he is leaving shortly for Seattle to take up his new duties. During his short term as president, he has won the admiration and respect of the entire Aerie by his capable handling of the chair and of the problems of the order. It is with the deepest regret that the members bid him adieu, while at the same time they are happy over his good fortune in receiving such a splendid appointment. And so, Brother Vinton, Coquille Aerie, No. 2196, Fraternal Order of Eagles, wishes you the best of luck and success in your new enterprise. We are all hoping that some time in the future we may once again enjoy the opportunity of addressing you as "Worthy President" of Coquille Aerie.

"Three Comrades" Coming To Roxy Theatre Sunday, Monday, Tuesday

NOT since "A Farewell to Arms" has so memorable a love story laid against a background of the aftermath of the World War come to the screen as "Three Comrades," filmization of the Erich Maria Remarque novel, which comes Sunday to the Roxy Theatre for a three-day showing.
Rarely has so completely satisfactory a combination of story, players and director been given a film drama as in this story of four people, dazed by their experiences in a war-torn generation and attempting to find rehabilitation in a new world full of mocking illusions.
With Robert Taylor, Margaret Sullivan, Franchot Tone and Robert Young filled the stellar assignments,

and with a supporting cast comprising such fine performers as Guy Kibbee, Lionel Atwill, Henry Hull, Charley Grapewin and Monty Woolley, the picture's characters come vividly to life.
Taylor, fresh from his recent success in "A Yank at Oxford," offers the most distinguished and heart-warming performance of his career as the young World War veteran faced with the necessity of beginning his life anew in an alien world. Margaret Sullivan is superb as the girl who brings fresh hope to his life, and Tone and Young in simple, expressive portrayals finish off a quartet of brilliant acting jobs.
The Remarque story describes the experiences of the three comrades as

Franchot Tone, Robert Young, Robert Taylor in "Three Comrades"

they return from the front to face an uncertain future together in a country gripped by post-war disturbances. Taylor, the youngest, falls in love with Miss Sullivan, and the love affair gives all three comrades a new interest in life.
Taylor and Miss Sullivan are married and she suffers a serious illness while on their honeymoon. Later, Young is slain in a political riot. When Miss Sullivan faces an opera-

tion in a distant sanitarium Tone sells his proudest possession, a racing car, to raise the funds but Miss Sullivan dies, leaving Taylor and Tone to face the future alone.
Frank Borzage, director of such memorable love stories as "Humoresque" and "Seventh Heaven," has achieved another stirring narrative in his direction of "Three Comrades." It is a picture not to be missed by old and young alike.

Hultin-Wiggins
The marriage of Miss Dorothy Wiggins, daughter of Mr. and Mrs. William Wiggins of Coquille, and Mr. Donald Hultin, son of Mr. and Mrs. T. Hultin, of Bandon, was solemnized Saturday at two o'clock p. m. at the home of the bride's sister and brother-in-law, Mr. and Mrs. Frank DeCosta; the Rev. H. L. Graybeal officiating. The bride wore a blue suit trimmed with white fur. Her accessories were also blue. She carried a bouquet of sweet peas. Mrs. DeCosta acted as matron of honor and Mr. DeCosta as best man.
A short reception followed the ceremony, after which the happy couple left for Bandon, where they will make their home. Those present at the reception were: Mr. and Mrs. Wm. Wiggins, Mr. and Mrs. T. Hultin, Mrs. Kenneth Hultin, Mrs. G. N. Goodrich, Mr. and Mrs. Frank DeCosta, Misses Maxine Wiggins and Dolores DeCosta.

and Mrs. Lloyd Oddy, who celebrated birthdays recently. Those present were: Mesdames Henry Belloni, Henry Ellis, Orville Newton, Cyril McCurdy, Lee Petersen, Lony Pearl, Frank Leslie, Walter Oerding, Clyde Minard, Lloyd Oddy, Wm. Irelandy Ernest Purvance, Louis Fugelsson and the hostess.

B. P. W. Met Monday
The Business and Professional Women's club met in the Pioneer church parlors Monday evening with the second vice president, Mrs. Harriet Osika, in charge, due to the absence of the others from the city. Yearly reports were read from the president of the club, the emblem committee and the public relations committee. Reports of the delegates to the state convention were also given. Mrs. Marjorie Rowland was elected to membership in the club.
Committees were appointed as follows: Budget, Mrs. Gladys Gano, Mrs. Bertha Smith and Miss Myrtle DeLong; Auditing, Mrs. Clara Stauff, Mrs. Saima Caughell and Mrs. Martha Mulkey.
The transportation committee consisting of Mrs. Naomi Robison and Miss LaVerne Knife served cantaloupe and ice cream to the following members: Mesdames Saima Caughell, Inez Chase, Gladys Gano, Ida Owen, Harriet Osika, Georgia Richmond, Annie Robinson, Bertha Smith, Clara Stauff, Misses Ida Oerding, Lotus Eaton and Lois Senn.

It Would Arouse Enthusiasm in the East
Reports from the Pacific Petroleum Corporation's operation east of Bandon during the past week are more optimistic for the prospect of striking oil in commercial quantities than at any time since drilling commenced, according to those in touch with the work. While less than 1,000 feet in depth the drill has encountered oil sands that, reports say, definitely contain production possibilities.
An Oklahoma resident with oil production experience, while at the local operations during the past week, stated that if such a showing were made with a new hole in his state the whole countryside would go wild about it.—Western World.
