##### At Assembly of God

Evangelist Harvey McAllister, the main speaker at the Oregon Statewide Camp Meeting, is to be in Coquille at the Assembly of God church, Second and Heath streets, for four days only—Friday, Saturday, Sunday and Monday. Mr. McAllister was one of the founders of the general council of the Assemblies of God which in twenty years has grown from a small group to one of the leading denominations of the entire world.

He has been greatly used in praying for the sick, literal miracles of healing being reported as occurring in all his recent meetings; the cures ranging through paralytic, arthritis, organic troubles, deafness and deformities of various kinds. The California paper, the Forterfield Recorder, says: "For twenty and thirty miles on every side, in not a few homes, the air has been kept alive with tales of miraculous healing wrought and the fulfillment of prophecies of centuries ago being related. In any meeting can be heard the testimonies of the healed of almost every known disease to the effect that as soon as the evangelist laid his hands upon them, they felt a warm glow pass through them and almost immediately they were healed every whit."

Delegations from all the Assembly of God churches in this district, of which there are seven in the Coos county area, will be attending the meetings; many who cannot attend the camp meeting at Turner, taking advantage of this opportunity to hear the speaker.

Rev. R. D. E. Smith, pastor of the Assembly, says that prayers will be offered for the healing of the sick and afflicted without charge at each service. There will be meeting at 7:30 each of the four days, from the 14th to the 18th of July, with morning and afternoon meetings only on Sunday when the evangelist will speak at eleven in the morning and at two-thirty in the afternoon.

There will be special music and an inspiring song service at each meeting with the Assembly of God choir and orchestra assisting.
