Judge Bean, his opponent in this fall's judicial election, has been on the supreme court for 28 years, and in November will be 65 years of age. He has made an excellent record as a judge and has served well in his official capacity, but looking into the future a year, or two, or six, will he serve out his term of six years, should he be re-elected this fall? And who would the governor appoint to succeed him? Nay, more; who will be governor, and what kind of a man will the governor favor—one who is biased by associations in his decisions, or one who interprets the law fairly and justly? These are important matters for the voters to consider before casting their votes.

Judge Zimmerman is a resident of Clatsop county; Peter Zimmerman, of Yamhill. The latter is not an attorney and the voter should not confuse the two.

**Coquille Masons Invited To Crater Lake**

Masons from Coquille and Coos county have been cordially invited by Medford lodge No. 103, to attend a session of that lodge which will be held at Crater Lake on the evening of Saturday, Aug. 13. The Master Mason's degree is to be conferred, and the grand master and several of his official family will be present. The ceremony will take place at Cloud Cap Point, a few miles on the Rim road from the Crater Lake lodge. Visitors are asked to bring their eats, and cushions or camp chairs. The hour named is seven o'clock.

Between sections of the degree there will be a musical program and the legend of Crater Lake will be told.  
It is quite a distance anyone from here must go to attend a lodge meeting, but Crater Lake should be visited at least once each year by every Oregonian and this affords an opportunity to combine pleasure and brotherhood.

Calling cards, 50 for \$1.00.
