Council, two years-M. F. Pettit, Coos Relief

At the meeting of the county Relief ommittee, held at Marshfield Tuesday, the relief budget for 1939 was adopted, the figures given being the county's share of one-third of the estimated cost, the other two-thirds being provided by the federal govern-

Aid to dependent children, \$18,500, with a total estimated cost of \$59,440. Old age assistance \$40,000, the total stimated cost being \$160,690.

Blind assistance \$1200; total esti-

General assistance \$42,500, which is matchable by the state relief committee which has been providing 65 per cent to the county's 35 per cent.

Journal's Bargain Days

Bargain days are on with the Oregon Journal and the Sentinel is authorized to accept subscriptions that publication at \$10 a year for both The Red Devils-Pirate games here daily and Sunday, and at \$5 for the Saturday should be a torrid contest daily only.

Conds For New **Grade School Building Voted**

Taxpayers by 4% to 1 Vote Approve \$41,250 Issue For A Grade Bulding To Cost \$75,000

Taxpayers of Coquille school district No. 8, by a vote of 89 to 20, approved the bond issue, totalling \$41,-250 for the construction of the proposed new grade school building Tuesday afternoon at the special election called for that purpose.

The new school building will be suit by a 14 of the Dayles and the special election of the special

puilt by aid of the Public Works Administration, which branch of the bederal aid program will provide 133,750 as its share of the cost of the 135,750 as its share of the cost of the 135,750 as its share of the cost of the 135,750 as its share of the cost of the 135,750 as its share of the cost of the 135,750 as its share of the cost of the 135,750 as its share of the cost of the

he government.

According to Keith Leslie, clerk of the board, the vote results will be aftered to the state PWA office this on the Washington school ground in front of the present build mabling school attendance in the tructure during course of constructure and in the coming winter months. tion and in the coming winter months.

It is questionable whether the building would be ready before spring at the earliest and should weather in-

Norton, and Mrs. Keith Leslie, Mrs. R. T. Slater as clerk.

Christmas Baskets

Dudget Det ity are invited to attend a dinne neeting in the Coquille Hotel next Monday evening, Oct. 3, at 6:30 when five or six representatives from state headquarters in Salem of the Asso-clated Employers Association, will be present to explain in detail the aims and purposes of the association and go into thoroughly the provisions of the Associated Farmers labor bill, hich will be on the ballot at the lovember election.

Every employer in Coquille should make it a point to reserve that eve-ning and be out to learn what the urpose of the organization is.

Logger Injured At Dora

Richard Cox, 23, was brought to the Coquille Hospital Tuesday, suftering from concussion and bruises. He was caught between two rolling logs but fortunately suffered no fracture of his skull.

ANNOUNCEMENT

Negotiations completed the past week have connected William Mac-Knight, a publisher of the Coquille Tribune for the past year, with the Coquille Valley Sentinel, with which publication he will affiliate as adver-Marian D. Grim

The Tribune will be continued as an independent publication and the en-tire plant will be maintained as usual

It is expected, however, that the Sentinel which has served the public and the merchants of the Compile Met valley since 1904 will be develope and promoted into the leading part of the valley and there will be a co certed effort on the part of the own ers to make it the most widely read largest and most interesting publica er improvement, and the property of those who have not bonded or paid their assessment will be sold after tion in southwestern Oregon.

The Coos County Buyers Guide will be continued as an advertising me-dium to be published in connection

with the Sentinel but will be sold to The coverage given by this shoppi guide will be the most complete and tising manager effective October 1st the most effective means of securing and as an associate publisher of the Sentinel with H. A. Young and portion of Coos county. There will not be two shopping guides as has been the case in the past few months

Mr. Young and Mrs. Grimes feel that as owners of the Sentinel for many years, co-operation and united effort to develop one outstanding pa-per here would be the best means of serving the public to the greatest extent and that the service to advertisthis belief that has made the uniting of effort for a better newspaper pos sible under a co-operative program that will maintain the Sentinel as ley's best newspo

Oct. 8 Last Day To Register

Only eight days remain for voters to register at the clerk's effice here to participate in the general election on November 8th, according to L. W. Oddy.

8th, according to L. W. Oddy.

In order to vote at the November election it is necessary for every voter to have lived in the precinct for which he or she registers for a period of 30 days.

Every precinct resident is allowed to register, regardless of the length of time he has lived there as the closing date gives just 30 days for residence. Out of state residents have to reside in the state six months before in the state six months

Coos Exhibits Taken To P.-I.

Mr. and Mrs. Geo. Hampton left rednesday morning for Portland, iking with them the Coos county exibit for the Pacific International tock show, which opens there Sat-

e display will largely feature se made in Coos county, with the

wording, "King of the Cheese Empire," as the center of the display.

As embellishments for the exhibit
there will be oysters, packed on Coosday, and several boxes of large cranperries, chosen from the E. D. Webb
tog near Bandon.

Mr. Hampton says all indications coint to the best display and the best entertainment features ever shown at the P. L for this year.

Praises Thornton Process

W. E. Foreman, a rubber jobber from Oakland, Calif., who was just eturning home from a tour of the Pacific coast, called at the Thornton Tire Service shop on Front street here Tuesday morning. After looking at the work Jack Dean is doing in the visitor said that the Coquille shop was putting more rubber on their building up of used tires, making them thicker and also doing a better job of recapping than any other shop on the coast is doing. None of Mr. Foreman's criticism seemed to offend Mr. Dean in the least!

To Move His Fixit Shop

shop from its present location in the Paulson building on Front street to the Price house just north of Fourth

Auto repair work is one of his spec-alties, but he also has a machine shop on a small scale and is making a variety of small articles for sale, one a very handy weed grubber. He also has plans for construction of a machine to turn out small myrtlewood novelties.

New Dress Shop Will Open Next Wednesday

that the new dress shop to open in the Coquille Hotel building, under the proprietorship of Mr. and Mrs. Wayne Young, formerly of Idaho, would be ready by October 5th.

The new business owners plan to arry an exclusive line of clothing for ladies and will have some of the fin-est stock. Special fixtures and new methods of merchandising are featured in the new enterprise.

Annual Library Meeting Hears Miss Harriet Long

Librarians Report Growing Interest in Library Service--- Two New Ones Organized Past Year

At the annual meeting of the Coos County Library Association held last Saturday in Marshfield, seven public libraries were represented, including the two newly organized institutions located at Bridge and Empire. Reports were given by the librari-ans. The North Bend room has been

moved into a large and more suitable location. Marshfield reported an in-crease of 5,000 in circulation and

crease of 5,000 in circulation and progress in all other phases of the file of the phases of the said of the said of the Bandon report, told of the work being carried on there. Although still in temporary quarters, Miss Henry is assisted by two WPA workers. She told of a gift of two pictures and a check presented to her by the Bandon folks in fecognition of her 25 years of service in the library. Myrtle Point has added indirect lighting for the reading room and is planning, with the city council for an enlarged room. Mrs. Pearl Ellingsen reported the

committee, composed of Mrs. Geo.
H. Chaney, representing the Library
board; Mrs. Ray Jeub, representative
of the Coquille Woman's Club; Mrs.
Bertha J. Smith, who acts to the Business and Professional Women; Dr. T.
De La Rhue, for the Rotary Club,
and Wm. MacKnight of the Junior
Chamber of Commerce. This group
keeps in touch with the needs of the
library, reviewing the books and
working with their remective organworking with their respective organizations to supply the wants of the eading public.

Mrs. Moorhead

At a meeting of the Coos County Pro-America Club here Saturday afternoon plans were made for a benefite card party to be given at the home of Mrs. R. A. Wernich, Saturday night, Oct. 1st, under the direction of Mrs. Weldon Kline, president of the group, and Mrs. Albert Powers, Jr. The party, to which the public is in-vited, wil commemorate the birthday of the organization, with county units throughout the state. The local group has been organized for three years, and at present has a paid member of fifty.

The guest speaker of the meet Saturday was Mrs. George Moorhe of Salem, who is devoting her entire time to campaigning for Sprague for governor. Mrs. Moorhead is well known in Coquille, having lived here a decade ago when her husband was a member of the local high school Soon after the first of October Har- faculty. She is an active party workry Wise expects to move his Fixit er, as well as a life-long personal friend of Mr. Sprague.

Prior to the meeting Mrs. O. C. Sanford entertained a few friends at street, facing on the highway, for luncheon in honor of Mrs. Moorhead.
