

School News of Vicinity

Coquille High School

Celebration Assembly

Monday morning a special assembly was called to celebrate the victory Saturday over the Marshfield football eleven. Principal Osika and Coach Spike Leslie were the main speakers. They urged greater student support at the game Saturday with Myrtle Point.

First Student Body Dance Friday

The freshmen are preparing to clear the auditorium and make it ready for the first dance of the season Friday night. Music for the occasion will be furnished by Billy Smith's Nickleodeons and admission will be ten cents for those holding student body tickets and fifteen cents for students who have not purchased tickets. Refreshments are being planned by Jack Martin, with the help of a committee.

Novel Assembly Friday

The Friday assembly will be utilized for the practice of songs and yells in preparation for Saturday's game.

Party A Success

The girls' league party last Friday night was a definite success. This is the first of a series of parties for the girls and girls are welcomed. Upperclassmen wore old clothes, but freshmen girls wore kiddies' frocks and were presented at the door with green hair-ribbons.

Supt. Dunn To Direct Debates For Coos Area

Appointment of Superintendent Dunn to the post of debate director for the Coos Bay area was made last week by P. M. Collier, secretary of the Oregon High School Debate League. The subject for this year's debate is to be: Resolved: that the United States should form an alliance with Great Britain. Coquille has enjoyed the county championship for six consecutive years and will have an experienced team to send into competition this year, so great interest in this activity is felt throughout the school. Mrs. Beyers will enter her fourth year of directing the team.

Subscription Campaign

The Hi-Times is sponsoring a subscription campaign throughout the town, offering a year's subscription at the reduced price of 50c. The staff plans to make the paper more complete this year, with photographic cuts and local news, in addition to the usual school news. A prize is offered to the student selling the most subscriptions.

Fast Fire Drill

The new fire siren, installed in the corridor between the gym and the main school building, sounded for the first time last week, causing terror among the students, and making at least one girl seek refuge on the top of her desk. The building was evacuated in 55 seconds; however, which is a very good time for the first drill. Last year the quickest time was 50 seconds. The siren, which replaces the bell of previous years, and the new second floor escape on the south end of the building are expected to promote speedy and orderly removal of students from the building.

Band Concert Before Game

The High School band will congregate downtown at about one o'clock for a short band concert Saturday afternoon, marching to the ball park just prior to the game. New music has been prepared to present at the game.

Junior Band

Under the direction of Miss Anita Pageler, the Junior band is rapidly becoming organized. The group is making good progress at present, with four regular weekly practice periods. With four or five exceptions none of the members have received any previous instruction in the playing of their instruments, but at present the youngsters are familiar with five or six tones.

Tone building will be studied during the first semester, while technique will be stressed during the latter half of the year.

A new set of bells purchased by the high school student body is now available to the students.

About fifty students, some of them in high school receiving training to affiliate with the senior band, and the rest from junior high, are enrolled in the band as follows: Trumpets: Harold Welsh, Claire Gray, Bobby Medley, Elmer Zwicker, Vada Tuchsahne, Jack McCracken, Marion Denzer, Eugene Mead, Donald Minard, Wilfred Gaffey, Fred Kunz, Anabelle Weber, and Tommy Martin. Alto E flat horn: Wayne Schroeder, Billy Alcorn, Francis Davidson, Donald Kramer,

Mildred McCarthy, Clarinets: Dawn Gilman, Phyllis Litzberger, Gordon Lawrence, Billy Unsoeld, Sherman Gregory, Jimmy Bunch, Jackie Axell, Mary Woodhurst, Betty Preston, Kay Leslie, Waneta Wardrip, Patricia Tommis, Richard Lane, Ben Barton, Lyle Gisholt, Earl Benham, Elvin Hickam, Colleen Ireland, Gwendolyn Elrod. Saxophones: Geraldine Howell, Bernice Helvie, June Marie Hughes, Muriel Davis. Baritone: Jack Stevens. Flute: Beverly Lawrence. Bass: Robert Churchill. Drums: Irene Williams, Donna Perkins, Woodrow Howell, Sammy Kramer, Paul Cole, Maxine Whereat, Cecil Finley, Helene Gage. Cymbals: Flora Wise. Bells: Virginia Harmon. Trombone: Fern Davidson, Robert Holbrook, Paul Walker, Charles Mulkey, Gerald Ulett.

A band concert will be given by the juniors some time in the spring.

Junior Hi Loses To North Bend

The "Hi-Lights" staff has been hard at work this week preparing to issue the first number of that student publication for this year. Student body members will each receive a copy on Friday morning. Staff members are: editor, Marjorie Yarbrough; assistant editor, Maxine Whereat; news editor, Robert McCarthy; society editor, Marilyn Sage; sports editor, Jim Howe; assistant sports editor, Wade Cowan; music editor, Margaret Ann Wilson; joke editor, Charles Walker; exchange editor, Bobby Kline; staff writers, Betty Emery, Dorie Ann Wood, Melvin Steward, Jerry Hurrell, Jo Anne Knight, Wilton Willey, James Broshears. Adviser, Miss Shrock.

Last Friday afternoon at 3:30 p. m., the Junior High football squad met the North Bend team at North Bend. Neither team scored during the first three quarters, although the local team piled up a large number of first downs and came within two feet of the goal at one time. Here the chance to score was lost by a fumble. During the fourth quarter and as the result of a pass, North Bend broke through to score six points. This was the only score made during the game. The Coquille team feels that the score will be much different when they play a return game at home on Friday, October 14. The game was characterized by good, clean sportsmanship on the part of the members of both teams. Jim Howe, who acted as captain, distinguished himself as a broken field runner when at one time he advanced the ball 60 yards before being downed. John Mulvihill provided the power for making yardage through the line. The team will play at Reedsport next Saturday morning.

Teachers' Meeting At Bridge Saturday

A very interesting teachers' meeting will be held at Bridge on Saturday, October 22nd. After the meeting the Civic Club of Bridge is preparing to serve a free luncheon to the visiting teachers.

The program for the day will cover departments for each of the primary and intermediate teachers at which time demonstrations will be given by Eleanor Menegat and Cherie Mae Hartwell. A short business meeting will be held for each department.

In the assembly a panel discussion as to building up and repair of libraries will be conducted.

All teachers are invited, and urged to arrive in time so that they will be seated before 9:30 in order to prevent disturbance during the demonstrations which will be given at the beginning of the meeting.

Home Ec Meetings Through October

Home Economics Extension Unit meetings started October 4 and will last through the month. They will consist mainly of a demonstration on the preparation and serving of nutritionally well-balanced meals. Principles of menu-planning to conform to the income, the family, the locality and the season, will be given.

All women in the county are invited to attend these all-day meetings which are free and which do not require membership in any organization.

How can persons on a minimum budget be sure to include the essential protective foods in their budgets? What are the essential foods for good health? How to plan an adequate and attractive menu, and many other timely questions will be discussed. Many suggestions for menus, hot and cold luncheon or supper dishes, and desserts, will be given.

Social Notes

Mr. and Mrs. Fred L. Houston, newly arrived residents from Grants Pass, returned to their former home last week-end to attend the banquet and installation of officers of Melita Commandery No. 8. They reported a large attendance with visitors from Portland and from many southern Oregon cities, a particularly large number from Ashland. The Houstons have purchased the property at 407 South Willard St.

About eighty sat down to the Job's Daughters dinner in the banquet hall of the Masonic Temple Wednesday evening when the Marshfield and Coquille Bethels held a joint meeting for the purpose of inspection by the Grand Guardian, Mrs. Anna Belle Akerson, of Portland. The tables looked lovely with bouquets of fall flowers. Following the dinner, the meeting was held in Masonic Hall, which was attractively decorated for the occasion. A large crowd witnessed the work of the two Bethels; Coquille exemplified the opening and closing ceremonies, while Marshfield put on the initiatory work, initiating two from Marshfield.

Mrs. Ackerson gave a lovely talk and was presented with a gift and beautiful corsage from the Bethels. Three past guardians were presented and given corsages—Mrs. O. C. Searles, Mrs. Bernice Smith and Mrs. Lafe Compton. One past guardian from Marshfield was presented and given a corsage. The present guardians and associate guardians of both Bethels were also presented and given flowers. After the meeting, which was a credit to both Bethels, a social time was enjoyed.

The Eagles Auxiliary met at the home of Mrs. Wm. Gaffey Wednesday for a one o'clock potluck luncheon. Following the luncheon, the ladies sewed, knitted and chatted. Those present were: Mesdames E. A. Wimer, Earl Schroeder, Pete Pointer, W. O. Terry, E. C. Yarbrough, Ed Tuel, W. H. Wimer, Wm. Chard, Chas. Lewis, Ernest Battey, Mrs. Orr and the hostess.

3,000 Acres To Be Seeded By Plane

County Agent Geo. Jenkins reports that airplane seeding of burned-over or range land will again be done this year as it was after the fires two years ago with such fine success. It is planned for both Coos and Curry counties.

Chas. Mears, of Portland, has been engaged to scatter the seed and 30 farmers have already contracted with him. The ranchers furnish the seed and Means is paid 60 cents an acre for the service.

Over 3,000 acres are expected to be seeded when the start is made the latter part of this week.

Junior Women, Notice

At the regular meeting of the Coquille Junior Women's Club in Pioneer Hall Monday, October 10, there will be held a potluck dinner at seven o'clock. Club members and friends are invited. The committee, Maxine Stevens, Fay Waggoner and Evelyn Elliott, request all members to call them to find out what they are to bring.

Mildred Hornecker, club president, has appointed Marjorie Knight as general chairman of the Festival dance to be given in October.

Mrs. Laura Abbott and Mrs. Hil-dred Abbott, of Butte Falls, Oregon, have been visiting at the Lester Abbott home for a few days. Mrs. Laura Abbott is Lester Abbott's mother. They have also been visiting at the Ernest Battey home. Mrs. Battey is a granddaughter of Mrs. Laura Abbott.

Kick-Off Dinner By Church of Christ

Thursday night, Sept. 29, a church dinner was held in the Church of Christ dining hall, with a program in the auditorium following the dinner. It was termed the "Kick Off Dinner" and the program was the "Kick Off" of a campaign for Rally Month.

Plans were laid to have a total Bible School attendance of 1000 for the month. Goals were set for the five Sundays as 150, 175, 200, 225 and 250. The attendance the last Sunday in September having been 158, the first goal was easily reached, there being 184 present for Bible school last Sunday.

Rev. R. D. E. Smith, of the Assembly of God Church, was the guest speaker of the evening, being introduced as assistant coach by Coach Ralph Harry, who is superintendent of the school. The football theme was followed throughout the evening; Donald Farr, assistant superintendent, being introduced as the doctor of the team and Mr. Sias as the director.

Messrs. Harry, Farr and Sias made short talks. Music for the evening consisted of numbers by Lee Finley, Billy Cardwell, a mixed quartet—Donald, Farr, Catherine Estey, Ruth Towne and Ray Olson—Mrs. Wood-yard and the choir and a male chorus, under her direction.

Minter's Open Letter

(Continued from Page One)

the WPA who could with enough initiative find positions in the industrial world instead of leaning on a shovel handle fifty per cent of their time at the city's expense.

The A. F. of L. will support men who will administer the business of the city in a business like way and give a square deal, (not a New Deal), to all. If we are to learn from elections in other part of the county a C. I. O. endorsed candidate should mean that candidate's defeat. At a break caucus, called by no one knows who, a candidate to serve on the city council was nominated. It was supposed to be a unity meeting between the two labor unions.

Some of the A. F. of L. members were present but they did not have any official authority to act in behalf of their respective unions. Any rumor that arose from this meeting to the effect that an agreement had been reached between the A. F. of L. and the C. I. O. to support each other's candidates is without foundation. I interviewed the candidate nominated at this meeting and he emphatically stated that he was not soliciting any C. I. O. support and further, he didn't want it. I am sure that the A. F. of L. will give him their support. The people of Coquille can rest assured that the A. F. of L. unions in Coquille will co-operate in every way possible to elect a city staff that will work for the best interests of all and not to a certain group or class.

—Harold A. Minter.

Pat Hayes At Bandon

The crowds are so large every week at the Highway Pavilion dance hall south of Bandon that many have to wait for a chance to dance. But do not let this discourage any one, because everyone has fun and plenty of it. "Come to Bandon this week and dance," says Pat Hayes, leader of the orchestra providing the music.

The grand jury began its investigations this morning of cases which will come up at the October term of court where true bills are found. Among those which will be considered by the grand jury are the three Bandon robbers, Crews, Bowersox and Wayne.

The regular term of Circuit court will convene Monday, Oct. 17.

Minor Mention

Telling About People and Events in the City and County

Mr. and Mrs. Harold McCue went to Eureka, Calif., over the week-end.

Judge Brand has advised County Clerk Oddy that he will be here tomorrow (Friday) to hold motion day in Circuit court.

Burning permits are no longer necessary states Fire Chief Frank Schram.

Mr. and Mrs. J. S. Barton and Ben and Mrs. C. A. Barton returned Sunday from Portland. They went up last Friday to look over the livestock exposition.

Dr. J. R. Bunch left this morning for Portland to attend the annual meeting of the Oregon State Dental Association. Mrs. Bunch, Phyllis and Jimmie, and Mrs. T. De La Rhue accompanied him.

Roy Scott, of Little Rock, Ark., an old school mate of Don Estes, came in last Saturday evening and left Monday night. Don took him out fishing Monday but has not reported whether their catch produced as unbelievable a story as that of their college days.

Mr. and Mrs. R. B. Cummins returned last Thursday from a three-weeks' visit to Portland with their daughter.

Mrs. Clifton Brockmann left this morning for a three-weeks' visit with her mother, Mrs. Chris Terres, in Berkeley and her sister in Los Angeles.

The entire front yard of the Charles Oerding home was removed this week by a bulldozer in preparation for increased parking space for their shop, The Myrtle Buri.

Mr. and Mrs. Jack Werah, of Portland, visited their brother, John Werah and family over the week-end.

Dental Clinic

The first dental clinic in Oregon to be conducted under the sponsorship of the county health units was held in the Powers schools last Wednesday by Dr. Ralph Milne. Similar clinics will be conducted throughout the county during the school year.

In order to make the public "dental conscious," Dr. Floyd DeComp, a dentist of Noti, was added to the membership of the state board of health.

Largely due to his influence, clinics were held in the schools of Oregon last year. This year, however, the county health unit, composed in this district of Dr. Coyle, Mrs. Elrod and Mrs. Littler, will be the agency through which the work is maintained.

Instruments for the project are furnished by the state board of health, a nurse is provided by the county and local dentists contribute their time, free of charge.

Statements in regard to the condition of each child's teeth are sent to the parents with the suggestion that the child be taken to the family dentist for any necessary work.

City Council Meeting

(Continued from Page One)

cement for the Rink creek dam project were rejected by the council, it being uncertain when the work could be started and how much would be done this winter if the project was approved by the WPA. H. W. Kelley, for gravel, and W. H. Mansell, for cement, were the low bidders.

The water superintendent was instructed to purchase the water pipe, 740 feet, which will be needed to provide service in Burns' Acres.

Permission was granted the Dillard Fruit Market on Front street to remove partitions, rearrange and remodel the interior of its store room and lay a new floor, 20x30 feet.

City Attorney Barton stated that the Portland bond attorneys had indicated that the \$35,000 worth of bonds, voted as a part of the water bond issue of \$85,000 in 1929, were valid and would be approved by them.

Investigation of the cost of moving the house at 490 North Heath street, where it is desired to open Eighth street, between Heath and Beach, and the advisability of doing so, were referred to the street committee for a report.

The city attorney was requested to make an estimate of the cost of repairing the former Opperman Apartments, which now belong to the city, and have been recently rented.

Applications by the Black & White and the Quella Cafe were approved. A representative of the Coos Humane Society asked if the council would still pay the society \$25 a month for controlling the dog nuisance in Coquille as had been agreed when Jack Broshears made a contract with the city. The council was not disposed to renew the contract and dropped the matter.

A letter from W. A. Seaman pleaded with the city to pay the claims of two men who had worked on the ball park before the Golden West Days celebration. They had been employed by the park commission but had not been paid when the commission's funds were exhausted. The appeal was laid on the table.
