

Coquille High School

Senior Ball

The senior class of Coquille high school has announced the date of that most outstanding social event of the school year, the senior ball. It will be held in the high school auditorium on Friday evening, December 16, at nine o'clock. The various committees are already at work and some fascinating plans are coming to light.

The committee in charge announces that invitations will soon be in the mail, not only to students of the local school and neighboring high schools, but also to the many friends and patrons of the school whose senior class friends have requested invitations for them. The music will be furnished by the Spenny Ross orchestra.

Just what the motif for decorations will be is still a deep, dark secret, but it is certain that something original is in store.

The committees which Jack Martin, class president, has appointed for the occasion follows: general chairman, Jack McDonald; arrangements, James Richmond, Earl Preston, Jane Kramer; decorations, Ann Hawkins, Kennett Lawrence, Vervie DeGeeter, Allen Zinzerling, Elwood Wylie, Videlle Kelley, Geraldine Holcomb; refreshments, Mary Mathews, Violet Howard, Donna Getz, Rolph Fuhrman; invitations, Donna Dean Boserman, Dorothy Mattoon, Lorraine Kennison, Faunell Moore; music, Ralph Thrift, Esther Ronning, Pat McKeown; features, Yvonne Kern, Lela Wilberger, Carl Torrey, Don Warner; programs, Margaret Smith, Leonard Farr, Edith Zinzerling; clean-up, Fred Watson, Peggy Wernich, Phillip Stem, Betty Lou Clausen, Bill Cardwell, Furman Blaylock, Ruth Pettengill.

All other members of the class are appointed to help on any or all committees in which their help is needed.

Cub Pack Organized For Younger Boys

Twenty 4th grade boys have joined the Cub Pack, an organization of boys from nine to eleven years, under the direction of the Boy Scouts of America. The first meeting took place in the Scout Cabin at the City Park on Tuesday, Nov. 22, and they will meet there each Tuesday from 4:00 to 5:00, with Mrs. Albert Powers as Den Mother.

A. A. Hall is Cubmaster and will be assisted by Bobby Kline and Joe Don Estes. So much interest has been shown by Cubs and their parents that additional Packs will be formed in the near future.

Rulon Doman, field executive B. S. A. from Eugene, will explain the Cub program to all parents of boys, nine to eleven years, on Wednesday evening, Dec. 7, at 7:45 in the Episcopal Guild hall. Mothers and fathers of boys of these ages interested in good citizenship and a constructive program of health and recreation as well as handicraft should attend this meeting. The present cub committee includes George Turney, J. Arthur Berg, Dr. C. A. Rietman, Luckey Bonney and Robert Stewart.

"Hutch" Johnson Alters Plans

Those reading last week's issue of the Coquille Valley Sentinel, and being less intimately acquainted with George R. "Hutch" Johnson, were quite surprised to learn that "Hutch" contemplated Animal Husbandry at his Cream O' Coos plant.

"Hutch" being a direct descendant of an old line of rabbit breeders, and as well a distant relative of Ananias, his solicitude for the above mentioned is well within his capabilities. He has also incorporated many excellent ideas into his fantasy, his cardinal perception being refrigerated rabbit breeding, that with a low even temperature he could easily produce prime furs during all months of the year. Though as diligently as this idea was conceived and laboriously materialized, it was soon discarded due to lack of enthusiasm from his patrons who were unable to assimilate the idea of ice cream and rabbits from the same assembly room.

Another of "Hutch's" brainstormings was to have been known to the world as "Bunny Sherbet," with a decided rabbit flavor. It was, however, withdrawn from commercial production due to extreme difficulty in blending such a delicate silver greyish cast.

Now that "Hutch" has gone to the expense of building the hutches, having completed at the present some one hundred superbly constructed and well ventilated lockers, he has definitely stated that the original plans will be altered to comply with the general public's need, not for fur production but "fur" individual cold storage lockers.

Congratulations, "Hutch"! We think you've got something there, even though the truth is not in you.

O.S.C. Band May Appear Here In Mar.

Geo. R. Turney, president of the Coquille Rotary, club attended the Chamber of Commerce directors' meeting Tuesday noon to inquire if that organization would approve bringing the Oregon State College R.O.T.C. band to Coquille some time next March. The bands asks a guarantee of \$210 for a concert at the high school, a parade and an evening concert. Mr. Turney stated that if the directors endorsed the plan, which they did, he thought the Rotary and Lions clubs would guarantee the necessary amount.

Second Annual Fur Show To Be Held Sun. At I.O.O.F. Hall

The second annual fur show to be held in Southern Oregon will again be staged in Coquille this year at the I. O. O. F. hall next Sunday, December 4, beginning at 10 a. m., and continuing throughout the day. Fox and mink pelts principally, will be on exhibit, and will be judged by competent fur men as to their beauty and quality. The judging and grading of these locally produced furs, will begin at 11 o'clock, but all furs must be in the building for classification by 10 o'clock sharp.

The committee in charge of this show consists of C. Grant Hartwell, Riverton, president of the Southern Oregon Unit of fur breeders, assisted by Harold L. Potts, Marshfield, who is also secretary-treasurer of the local association, and Al Crawford, of Myrtle Point. John Carman, Gaylord, vice-president, assisted by A. Barrow, Bandon, Miles Hartwell, Riverton, and J. W. Rubie, Coquille, will have charge of the furs throughout the day.

The public is cordially invited to attend this show, to which there will be no charge. A short program will be given free of charge in the hall at 3:00 p. m., following which all visitors and friends will have the opportunity to view the beautiful furs. The fur breeders of this section are grateful for the interest and co-operation shown in the past by the local public, and they will welcome this opportunity to greet you again, and to answer any questions you may wish to ask about the silver fox and mink furs produced here.

It may be of interest to many to know that at the state Fur Show held in Portland last December, a silver fox pelt belonging to a member of the Coquille unit of the Oregon State Fox and Mink association, had the great honor of being judged the grand show champion. This was a great honor, and speaks well for the high quality of furs which are being produced in this section of Oregon. This climate is most conducive to the production of fine furs.

The prize winning pelts from here will be exhibited in Portland on Dec. 8-9-10-11, at the Northwest Electric show room, Sixth and Taylor streets, and will vie there with pelts from all other sections of Oregon for honors.

Calling cards, 50 for \$1.00.
