## A DRAMATIC SCENE IN "DRUMS"

SABU, Valerie Hobson and Roger Livesey in a tense moment from "Drums," Alexander Korda's exciting technicolor production which plays at the

## "Drums" Filmed in Color in Dangerous Khyber Pass

Korda Film Unit Was First To Invade Famous Gateway To India

Hollywood boasts of its good fortune in being situated a stone's throw from a variety of locations that lend themselves admirably to doubling for the Sahara Desert, the snow-capped Alps, the South Sea Islands or a simple stretch of English countryside.

But the breath-taking natural color shots of the Kyber Pass, the historic gateway to the plains of India, which will thrill pic-

## Riverton School

### News of the Classes

**Typing**  
Clifton Guerin is leading the typing class in speed with a net rate of 27 words per minute. He is followed closely by Glyns Gilbert, who is netting 25 words per minute. The tests are of eight minutes duration and are corrected on international rules. Fred Porter typed the first stencil for the beginners in typing last week.

**World Geography and Civilization**  
Miss Gilman's geography class has gone "lithographic." The members are drawing two maps for each of the countries studied. One map is of the usual political and topographical variety. The second map is decorative. That is, each map has pasted on it articles or pictures which show the product of the country. Some very good maps have resulted from the efforts of the class. Maps being drawn now are of the central European countries.

**Home Economics II**  
The advanced class in home economics is working on the sewing unit of its course. The girls are making dresses and other garments for their own use.

**Home Economics I**  
Christmas is coming, but the home ec. I girls expect to be prepared to entertain old St. Nick in regal fashion. This week, they are busily turning out Christmas candies of various hues in preparation for his arrival.

Last Friday, the girls entertained—Guess who? Themselves! at a buffet luncheon. The six members of the class enjoyed cheese and chicken sandwiches, stuffed tomato salad, individual prune cakes, and tea.

**English**  
The English IV class is making a study of famous essays. Each member of the class is attempting to compose an original essay.

The books read for outside reading are being recorded and whether it is fiction or non-fiction is recorded on the chart under the name of the student who read the book. A brief book report is also required if the student wants his reading to count on the state requirements in the study of English.

**"More Domesticity"**  
Mrs. Fred Winters (nee Mary Gilmore) was a visitor at school Monday. Mrs. Winters' sister (nee Jean Gilmore) was married to Grover Haga last Wednesday at Grants Pass.

Mrs. Winters, Mrs. Haga and Mr. Haga are all former students of the Riverton high school.

**Food**  
The school cafeteria is in full swing again after a short suspension of service. A typical menu was served for the four school days this week. It was: (Monday) scalloped potatoes, cookies, and pears. (Tuesday) baked beans and chocolate. (Wednesday) cream of tomato soup and jello. (Thursday) chocolate pudding and potato salad.

**Boys vs. Girls**  
Masculine honor has been vindicated. The boys won three out of four volleyball games from the girls last week.

**Arago Visits Riverton**  
The Riverton girls defeated the girls from Arago three straight games of volleyball in the Riverton gym Wednesday.

After the girls' game, the boys played basketball. While a regular game was not played, the Riverton boys showed much more strength than the Arago group and scored more consistently.

**Langlois vs. Riverton**  
The Riverton girls received their first defeat of the season by losing three games in a row to the Langlois girls on the Langlois home floor.

The "A" squad boys' basketball game was hard fought from start to finish. Thirty seconds after the start of the half, Riverton was leading by nine points. Three minutes before the game ended, the score was tied. When the whistle blew to end the last half, Langlois had won 19 to 15.

The Langlois "B" squad won their game by a comfortable margin.

Riverton's next game will be with Powers on the Riverton floor on Jan. 6.

**Vacation**  
The Riverton schools will be dismissed for the Christmas vacation Dec. 23 at the usual time and will be resumed January 3.

### Card of Thanks

To our friends and neighbors for their acts of kindness in our recent sorrow, for the many expressions of sympathy and beautiful floral offerings, and to the pall-bearers, we ex-

tend our heartfelt thanks and gratitude.
